Public educational entities governed/coordinated by the Kansas Board of Regents or under the auspices of the State Department of Education, may be allowed to use the Metro Learning Center on a space available basis by charging individuals the MLC fee equated to a credit hour basis. The revenue will be remitted from this collection to ESU.

#### WORKSHOPS AND SHORT COURSES

Fees are assessed and collected as announced in official University publications.

#### TUITION POLICY FOR POST-BACCALAUREATE STUDENTS

##### Degree Program students and Certificate Seeking students

Post-baccalaureate students seeking graduate degrees pay graduate tuition rates. All tuition and fee charges listed on Page 1 will apply to this group of students.

##### Enrichment Program students (Licensure or Non-Degree Seeking)

Post-baccalaureate students who are not in a degree seeking program may apply through the Graduate application process for consideration of undergraduate tuition for courses numbered 100 – 499. Courses numbered 500 and above will be charged at the graduate rates. The full-time tuition rate in the Fall and Spring semesters does not apply to these students. All courses are charged by the credit hour regardless of the number of enrolled hours.

#### TUITION POLICY FOR UNDERGRADUATE STUDENTS RECEIVING GRADUATE CREDIT

An undergraduate student may apply a maximum of 12 hours of credit earned in courses numbered 500-699 to a degree program. Approval of the graduate dean prior to enrollment is required to receive graduate credit for those courses. The graduate faculty of each department determines whether graduate courses previously taken are appropriate for a given graduate degree program. Undergraduate students receiving graduate credit for graduate level courses will pay graduate fees.

#### GRADUATE TEACHING ASSISTANTS AND GRADUATE RESEARCH ASSISTANTS

Applicable tuition is waived for graduate teaching and graduate research assistants if working 20 hours per week. Students will be responsible for campus privilege fees. In the event that a student cancels the graduate assistantship, the student must repay the tuition waiver based upon the number of days remaining in the semester.

#### CONTRACTS AND COMPENSATORY CHARGES

This schedule does not limit the charges which may be collected under arrangements with other governmental or private agencies except that such arrangements may not provide for lesser charges. Tuition or other charges to more nearly cover the actual cost of instruction are specifically authorized. No tuition is charged to students enrolled in programs for which the entire cost is financed by governmental or private agencies. Students taking such courses on campus must pay all required campus privilege fees.

#### KANSAS TEACHER OF THE YEAR TUITION WAIVER

Tuition will be waived for up to nine hours annually for any past or present Kansas Teacher of the Year. To be eligible, a person must be a past or present recipient of the award under the program administered by the Kansas Department of Education and be employed as a teacher in an educational institution accredited by the Kansas Department of Education.

## FEE WAIVER FOR PERSONS AGE 60 OR OVER

Residents of Kansas who are 60 years of age or over may take courses at the University without paying the regular fee. A course taken free cannot be counted toward a degree. The person will be considered an auditor in the class, and admission to the class will be by permission of the instructor and only if space is available. Interested individuals should consult with the Registrar or the Director of Admissions.

## EXTENDED PAYMENT AGREEMENT

The University makes available an Extended Payment Agreement for account balances. Under this plan, students make a \$150 account payment by the Friday before classes begin. This down payment, which can include financial aid, will retain the student's class schedule. If a student can not pay the account balance in full by the first day of class, a \$50 administrative fee will be applied to the account for an automatic payment extension of 25 calendar days. If charges are not paid on or before the first extension, an additional \$50 administrative fee will be automatically applied for an additional 25 calendar day extension. Any account balance remaining after the second payment extension is considered past due. A late fee of \$25 will be assessed each month the balance remains outstanding. An Extended Payment Agreement can be completed in person or on-line. The form must be completed and returned along with payment to the Office of Cashiering Services prior to the Friday before classes begin.

In the summer, the University requires that students pay all charges in full prior to the first day of class. An Extended Payment Agreement is available; additional fees apply.
