MEMBERSHIP

I accept the invitation of the _____ Fraternity/Sorority to become a new member of its chapter at Emporia State University. I understand that by accepting this invitation, if my membership is terminated prior to my initiation/activation, I cannot accept membership into another inter/national social fraternity/sorority at Emporia State for one calendar year from the date signed below. I understand that as a member of this chapter, my actions reflect not only on myself, but on my chapter, the Greek community, and Emporia State University. I agree to uphold the values and standards of my chapter, my governing council (IFC or PHA), the Greek community, and Emporia State University. I understand that I may be held accountable to behaviors inconsistent with these values and standards.

HAZING

I understand that hazing acts are both unethical and illegal and do not promote brotherhood/sisterhood. I have read and understand the *Greek Life Position on Hazing* and the *Emporia State University Hazing Policy* (www.emporia.edu/csi/greek/forms_policies.htm) and agree to the provisions of this position and policy. I will not willingly participate in or allow hazing activities to take place in my chapter, and I will report any hazing activities I experience or witness.

GRADES

I authorize the Center for Student Involvement to release my enrollment status and grade point averages (semester and cumulative) to the chapter president, scholarship chair, chapter advisor, and national headquarters staff. The purpose of disclosing this information is to verify eligibility for membership, achievement of chapter academic standards, eligibility to hold leadership positions, scholarship and recognition programs, and chapter programming.

LIABILITY

Membership in the chapter provides opportunities to participate in fraternity/sorority intramural sports and other activities including Homecoming and Greek Week events. I understand that participation in these activities is voluntary and involves certain risks that could result in property damage, bodily injury, or even death. I understand that the university and IFC/PHA do not provide any type of insurance for participants of these activities. I will not hold IFC, PHA, or Emporia State University, including any of its agents and employees, responsible or liable for any injury or damage incurred from my participation in these activities.

These authorizations and agreements remain effective as long as I am listed on the chapter's official roster on file with the Greek Life office and I am enrolled at Emporia State University.
