SLIM

Library & Info Mgmt

LI801: Recommended for all new MLS students in their first semester. An introduction to information agencies and professions, this course examines the philosophical and ethical underpinnings, roles and societal contexts, and current issues of the global information society. Students explore the role of information in society, change as reflected in paradigm shifts, the theory and processes of information transfer, and the characteristics of information professionals and professional practices. (Required)

The Teachers College

Spec Educ & School Counseling

SC615: A seminar-type course designed to help counselors and others in the helping professions to work with individuals, families, or groups in crisis resolution. Students will discuss intervention strategies and models for developmental and situational crisis situations. Physiological and psychological reaction to stress will be discussed. Basic concepts on establishing "Hot-Line" and "Walk-In" crisis centers are considered.

			Counseling	GR	10/24	Learning Ctr (Over Park) 105	W	afrost@emporia.edu	

SC710: This course will focus on the development of the awareness, knowledge and skills necessary for counseling professionals to provide culturally relevant services to people from ethnic and cultural backgrounds which differ from the counselor's own. These skills are intended to "overlay" the counseling understandings the counselor has developed in other course work. This course emphasizes self-knowledge and uses methods of experiential and didactic learning.

SC810: A study of characteristics of and techniques for establishing effective counseling relationships. The class provides an opportunity for personal growth, development of basic counseling skills, and improved interpersonal counseling relationships. This will be accomplished through group exchange of ideas, feelings, and attitudes through didactic and experiential activities.

Perm	Section	CRN	Title	Hours/Level	Starts/Ends	Building/Room	Times/Days	Instructor	Comments

SC881: (Prerequisites, SC871, have an approved application for admission to the internship the semester before expected enrollment and permission required.) Interns will complete a 600 clock hour experience at a site of sites that offer opportunities for working with students in grades kindergarten through grade twelve. The intern will engage in both individual and group counseling as well as a variety of other activities that a regularly employed staff member in the setting would be expected to perform. In general the successful completion of this experience should enable the prospective school counselor to function as the coordinator of a comprehensive school guidance program, grades K through 12.
