Courses such as independent study, projects, research, thesis, etc., may REQUIRE permission of the department chair or instructor before students enroll. Students must contact the appropriate department to secure permission to register for these courses. **These classes are indicated with a "Y" to the left of the course prefix**, double section letters beginning with the letter "P", and an appropriate note such as "permission," "consent," etc., in the prerequisite column.

### Registration Procedures for Currently Enrolled Students

*(Students not advised in SAC)*

I. Meet with your advisor and discuss your schedule of classes for the spring semester and enroll. You may be given a PIN to enroll yourself through your Hornet 365.com account. An advisor may opt to assist you with enrolling rather than providing you with your PIN to enroll yourself. Remember all enrollment holds must be satisfied prior to class registration.

2. If you have problems with your enrollment the Registration Office will assist you.

3. Update your student information through your Hornet365.com account, including your mailing address and cellphone number.

### AUDITING OR VISITING A CLASS

Students who wish to take a course but do not need or want the credit to be counted toward degree requirements may "audit" that course. The student must secure the instructor's permission and inform the Registration Office during the **first ten days of classes, or prior to the first day of the class when it is less than one semester in length**. Students must pay the same fee for auditing a course as would be paid for taking the course for full credit. (Residents of Kansas who are 60 years of age or over may audit classes free of charge.) Students should consult their academic advisor before signing up to audit a course.

**REINSTATEMENT / READMISSION** - Students who were required to withdraw the last time they attended ESU or students returning to ESU after a semester's absence should contact the Registration Office, 108 Plumb Hall or by phone at 620-341-5211, to process a reinstatement or readmission form. The Registration Office will determine the student's previous advisor.

**LOAD-** Undergraduate students may take up to and including 18 hours with permission of their advisor. *(A student enrolled in one or more developmental courses will be limited to a total semester enrollment of approximately thirteen credit hours. This applies to new students beginning in Fall 1999 and thereafter.)*

Graduate students may take up to and including 16 hours with permission of their advisor (12 hours for graduate assistants).

**OVERLOAD** -Students with superior academic college records may petition to exceed the above stated loads. Written approval to carry an overload must be secured from the student's advisor, the chair of the department of the student's major, and the graduate dean, if for a graduate student. Forms are available in the Registration Office. The overload form must be processed before the end of the first week of classes. Failure to process the form by this time may result in withdrawal from all or part of the student's classes.
