

Department Of Biology

Drawing for Scholarship Money

Are you a declared
Biology major?

If you have declared your major in the Biological Sciences (BS, BSE, or BA in Biology or BS in Biochemistry and Molecular Biology) before or during the Spring 2013 and Fall 2013 semesters, then this opportunity is for you!

During the Fall 2012 semester, you can earn chances in a drawing for a \$250 scholarship that is applicable to the Fall 2013 tuition and fees. Chances for drawing are earned when you attend any of several qualifying events. The more events that you attend, the more chances that you will have in the drawing. The drawing will be held during finals week and the scholarship added to your financial aid package for the next academic year. There will be a scholarship drawing for a new student (transfer or freshman) and a drawing for a continuing student.

Look for more details in August
when you come to school.

Qualifying events will be listed
on the Biology website.

biology.emporia.edu

Below is list of possible events that would be eligible.

- Attendance at the Huge Activities Fair, Study Abroad Fair, or other approved events
- Attendance at a university-wide majors fair
- Attendance at any of the meetings of the student organization that are associated with the Biology Dept. (Biology Club, Caduceus Society, Tri-Beta, The Wildlife Society)
- Participation in any of the events sponsored by the biology RSOs (fishing tournament, blood drive, plant sale, etc.)
- Attendance at any of the social events that the Biology Department will organize
- Attendance at departmental seminar
- Attendance at the Research and Creativity Day
- Attendance at a scientific meeting
- Meeting with your advisor for enrollment during the first 30 days after enrollment begins for the next semester
- Interviewing a faculty member
- Participation in optional field trips that would be organized as part of a class
