Resolution Commending Burt McAtee

Whereas the Food-4-Thought Program provides faculty and students a lunch, and

Whereas the Food-4-Thought program has served to give students and faculty the opportunities to get to know each other better, and

Whereas these opportunities enrich the campus experience for both students and faculty, and

Whereas Faculty Senate and Associated Student Government's co-sponsorship of the program would not be possible without the generous support of Burt McAtee and Sodexo,

Therefore be it resolved that the Faculty Senate thanks Burt McAtee for his continuing support and commends him for his commitment to the community of faculty and students at Emporia State University.
