Welcome Back!

I would like to take this opportunity to welcome everyone back from what was hopefully a relaxing and enjoyable summer. I look forward to working with faculty, staff, and administration to make the 2009-2010 academic year one of our best.

In the upcoming year, I encourage everyone to continue their high level of commitment in making the College of Liberal Arts and Sciences and Emporia State University a positive environment for students to grow and excel not only in academics, but also in their individual life experiences as well.

By continuing to foster this positive learning environment, we hope to instill in our students a desire to achieve excellence in all of their future endeavors.

I would also like to extend heartfelt appreciation to everyone for their relentless efforts over the past academic year to overcome some very tough challenges due to circumstances beyond our control.

In the midst of a less than optimal economic environment, I feel as a college united, we rose to the occasion, persevered and provided our students with the ongoing high standard and tradition that is the College of Liberal Arts and Sciences and Emporia State University.

Smart Classroom Passwords

Beginning Fall, 2009, the Smart Classroom password will be changed at the beginning of every fall, spring, and summer term. For Fall, 2009 the change went into effect Thursday, August 13th, at 6:00AM and include all Smart Classrooms located on campus. In order to maintain information confidentiality, Smart Classroom passwords will no longer be posted on the podiums. **Faculty, staff, and teaching assistants should contact their department administrative assistant for the new password.**

Remember, too, that all Smart Classroom computers are configured for Emporia State University students, faculty, and staff to log in using their personal Campus User Name and Password combination.

Teachers College Resource Center/ Instructional Materials Center

The Teachers College Resource Center/ Instructional Materials Center has the following items available to aide and enhance your teaching efforts: current journals, periodicals and publications for your research and information; instructional materials to invigorate the continuum of learners and levels; a bank of computers for your convenience; lamination and die cut opportunities for your projects; a Website to guide you to the exact materials that fit your needs; and FAX service availability.
