Preserving a Heritage . . . Building a Legacy

2010 Induction Program
Nomination Form and Instructions

The National Teachers Hall of Fame

2010 Teacher Induction Program

Located in Emporia, Kansas, the NTHF has brought attention to the profession primarily through an annual recognition program which honors five of the nation's most outstanding teachers. The first awards were presented in 1992. Ceremonies take place in June of each year. Attendance at all functions is required of those who are inducted. All expenses are paid by The National Teachers Hall of Fame.

A national selection committee, which includes representatives from educational organizations, former inductees into the NTHF, government and corporate America, considers the nominations. The selection committee reserves the right to make additional inquiries about the nominees beyond the written application.

Individuals inducted into The National Teachers Hall of Fame serve as ambassadors both for the NTHF and the teaching profession, and are expected to uphold the standards of excellence set forth by the educational community. Individuals may obtain a nomination form by visiting the NTHF Web site at www.nthf.org or by calling 1-800-96-TEACH.

Photograph and Video

After the initial screening process has been completed, all semi-finalists will receive written notice of their advancement to that level. These semi-finalists will be presented to the national selection committee and will be required to provide the NTHF with one (1) black-and-white **PROFESSIONAL** photograph (size may vary from 2"X3" to 8"X10"). This photograph will be used for publicity purposes, including media releases and permanent plaque for the NTHF museum. It will NOT be used for consideration during the final selection process.

Semi-finalists must also submit a three-minute DVD or videotape that will showcase your teaching and student learning. This will help the selection committee define you as a teacher. The format for the DVD or videotape is open, but we do not want footage from previous television appearances, newscasts, or that used for other recognition programs. It is recognized that production capabilities vary considerably among school districts. This is an opportunity for you, the nominee, to demonstrate to the selection committee your uniqueness as an individual and your teaching in an electronic format.

Note: Once the semi-finalist has been notified, the photograph and DVD or videotape must be submitted within two weeks.

Instructions, Guidelines, and Requirements

A. Nomination Requirements

- The nominee must have a minimum of twenty (20) years of full-time preK-12 teaching experience.

THE NATIONAL TEACHERS Hall of Fame

Preserving a Heritage . . . Building a Legacy™

The National Teachers Hall of Fame, a non-profit 501(c)(3) organization, was founded in 1989 as a tribute to our nation's most important profession - teaching. It is the mission of The National Teachers Hall of Fame to recognize and honor exceptional teachers. The Board of Trustees of the National Teachers Hall of Fame shall be responsible for taking such actions that are necessary to fulfill this mission. The Hall of Fame will recognize and celebrate the accomplishments of exceptional career teachers, preserve their careers in museum and virtual formats, and utilize their skills and experiences to elevate teacher quality and student learning through integrated programming.

Supporting extraordinary teachers ensures our educators have the tools needed to deal with daily issues by addressing the core needs of teachers through various publications and special programs, while creating a forum for teachers to express themselves and to learn from their peers.

Recognizing exceptional teachers motivates other teachers, inspires young adults to consider a career in teaching, and honors those who have positively influenced the lives of their students.

Elevating the teaching profession encourages active teachers to remain in teaching, presents young people with a career option, and rallies everyone to address a critical need.
