

Application for the 2008
AAPT Rural Physics Teaching Resource Agents Workshop
at Emporia State University
(Funded by the National Science Foundation)

I. Personal Information

1. Your name: _____
2. Your home mailing address: _____

3. Your email address: _____
4. Your telephone numbers: work _____ ; home _____
5. If accepted, would you commute _____ or request on-campus housing _____?

II. Professional Information

6. Have you attended any previous PTRAs Workshops at ESU? YES _____ NO _____
If YES, check those you attended.
_____2003 (Kinematics & Dynamics) _____2004 (Momentum & Energy)
_____2005 (Electricity-CASTLE)
7. If selected, do you expect to be able to attend the two one-day follow-up sessions during the year? (Dates and times will be determined during the summer workshop). YES _____ NO _____
8. Write FULL next to a subject you are fully licensed/certified to teach and PROV next to a subject you are provisionally certified to teach.
_____physics _____physical science _____chemistry _____biology
_____math _____general/middle school science _____earth/space science
_____computer science _____other (specify) _____
9. What subjects do you actually teach? _____
10. How many sections of physics do you typically teach each year? _____
11. How many sections of physical science do you typically teach each year? _____
12. How many years have you been teaching? _____

III. School Information

13. Name of school and USD # where you teach _____
14. Location of your school (address, city & state) _____

15. What grade levels are taught at your school? _____
16. What is the total enrollment of your school? _____
17. Name of your principal: _____
18. How many sections of physics are taught at your school each year? _____
19. How many sections of physical science are taught at your school each year?

20. How many other physics or physical sciences teachers are there at your school (besides yourself)? _____
21. Do you consider your school to be in a rural area? YES _____ NO _____
Explain the basis for your answer to 21.
22. Would you be enrolling in one of the 2-credit ESU courses (PH 500 or PH 700-AAPT PTRA: Waves & Optics) associated with the workshop?
YES _____ NO _____
23. Is there anything else you would like us to know about your current teaching situation?

This application is available online at <http://www.emporia.edu/physics/ptra/>.
Completed applications can be returned by email to jballest@emporia.edu.
Alternatively, a hard copy can be filled out and mailed to:

Dr. Jorge Ballester, Rural Regional Coordinator
Departments of Physical Sciences, Campus Box 4030
Emporia State University
1200 Commercial Street
Emporia, KS 66801

DEADLINE: Applications will be accepted until the workshop is filled. Later applicants may be placed on a waiting list.
