

# **KANSAS SCIENCE TEACHER**

The Kansas Science Teacher is published two times a year by the Science Education Center of Emporia State University. The KST is committed to the improvement of science teaching and to bringing the hands-on approach to science experiences into every student's classroom.

## **SUBSCRIPTIONS**

The Kansas Science Teacher is mailed free upon request. If you are not already receiving the KST, please write to us. Your name will be added to our mailing list.

## **PUBLICATION POLICY**

The editor of the KST welcomes original articles and features that address the goals of improving science teaching K-12 and bringing hands-on experiences into the science curricula. All manuscripts must be typewritten, double-spaced on one side of a sheet of standard white paper, and submitted in duplicate. Approved items will be published as soon as it is practical.
