## **Autobiographical memory**

PAPER: Consistency of memory for traumatic events. Authors: Anne Elisabeth van Giezen, Ella Arensman, and Philip Spinhoven.

PAPER: Altering traumatic memories. Authors: Daniel M. Bernstein, Veronika Nourkova, Elizabeth Loftus.

PAPER: Cultural life-scripts: A new way of predicting recall from autobiographical memory. Authors: Dorthe Berntsen and David C. Rubin.

PAPER: The construction and validation of the Autobiographical Memory Scale. Authors: Christopher Burt and Simon Kemp.

PAPER: The construction and validation of the Autobiographical Memory Scale. Authors: Michael Conway, Constantina Giannopoulos, and Annmarie Crampton.

PAPER: Context-dependency in the real world: How different retrieval cues affect Event-Specific Knowledge in recollections of a real-life event. Authors: Elise van den Hoven, Berry Eggen, and Ineke Wessel.

PAPER: Metacognitive influence on reported amnesia for autobiographical events. Author: Hartmut Blank.

PAPER: Korsakoff patients` memories of September 11, 2001. Authors: Ingrid Candel, Marko Jelicic, Harald Merckelbach, and Arie Wester.

PAPER: Is amnesia a metamemory belief? Authors: Kim van Oorsouw and Harald Merckelbach.

PAPER: Changes in Imagery and Perspectives Associated with Autobiographical Memories. Author: Leslie Taylor.

PAPER: Eliciting involuntary autobiographical memories in the laboratory: Developing a new method of investigation. Authors: Lia Kvavilashvili and Simone Schlagman.

PAPER: Women are different -- men, too. Gender differences in autobiographical memory, empathy, and social skills. Authors: Michael Bender, Rüdiger Pohl, and Gregor Lachmann.

PAPER: Autobiographical Narratives Tell a Different Story: Emotional Experience in Two Adult Age Groups. Authors: Nicole Alea, Susan Bluck, and Angelenia Semegon.

PAPER: The prevalence and accessibility of event clusters from different life periods. Author: Norman Brown.

PAPER: From Content to Function: Autobiographical memory in American and Chinese adults. Authors: Qi Wang and Martin Conway.

PAPER: The temporal organization of autobiographical events. Author: Rüdiger F. Pohl.

PAPER: Are odours not better reminders of past experiences? Authors: Simon Chu, Laurence Argyle, and John J. Downes.

PAPER: A diary study of involuntary autobiographical memories: effects of aging and conditions under which they occur. Authors: Simone Schlagman, Lia Kvavilashvili, and Joerg Schulz

PAPER: Memories about childhood: are source monitoring judgments always based on clarity of mental image? Authors: Victoria Eremenko and Veronika Nourkova.

PAPER: Distorting the subjective past and subjective present through story completion. Authors: Veronika Nourkova, Daniel M. Bernstein, and Elizabeth F. Loftus.

PAPER: The Formation of Collective Memory through Conversation. Authors: William Hirst, Alexandru Cuc, David Manier, and Yasuhiro Ozuru.

PAPER: "I Know Exactly What I Did on September 11": Retrieval-Based and Retrieval-Independent Criteria in Judgments of Memories for Shocking Events. Author: Gerald Echterhoff.

PAPER: The development of the ability to combine autobiographical memories into a coherent life story. Author: Cybèle de Silveira.

PAPER: Causal and temporal coherence in life narratives of clinically depressed in-patients and matched controls. Authors: Tilmann Habermas, Lisa Ott, Merve Schubert, and Beatrix Schneider.

SYMPOSIUM: Social and Emotional Influences on Autobiographical Memory. Chair: Lauren R. Shapiro.

SYMPOSIUM: Focusing on the internal in memories of trauma. Chair: Robyn Fivush.

SYMPOSIUM: When we change an autobiographical belief do we also change a memory? Chair: Giuliana Mazzoni.

SYMPOSIUM: Beyond imagination inflation. Chair: Maryanne Garry.

SYMPOSIUM: Flashbulb Memories: Examining Recall for Tragedy. Chair: Lauren R. Shapiro.

SYMPOSIUM: Order and disorder in autobiographical memory: The role of self and emotion. Chair: Martin Conway.

SYMPOSIUM: Offenders and Victims as Eyewitnesses. Chair: Barry S. Cooper.

SYMPOSIUM: Inhibitory Mechanisms in Memory. Chair: Malcolm D. MacLeod.
