## STUDENT LEARNING ASSESSMENT COUNCIL

Minutes

December 1, 2017

Multiple Consultations from October 28 – November 30, 2017

- 1. The minutes for the October 27, 2017 were forwarded to the SLAC to be reviewed during the January 26, 2018 SLAC meeting.
- 2. In lieu of the December 1, 2017 Student Learning Assessment Council Meeting, individual consultations were held with previously identified chairs and student affairs leaders to work on specific parts of the 5-Year Program Level Assessment Cycle Plans and Non-Instructional Program Review Assessments. In addition, Brian Denton is engaging the SLAC and others in a qualitative research project to identify the efficacy of the High Impact Practices efforts and the relationship between the use of the National Survey of Student Engagement and Senior Survey data to identify strengths and opportunities to enhance student learning across the institution.
