

COUNSELOR EDUCATION

Web: <http://www.emporia.edu/ce/>

Phone: 620-341-5220

Chair: Katrina R. Miller

Graduate Faculty:

Professors: Katrina Miller, Gaelynn Wolf Bordonaro

Associate Professors: Damara Paris

Assistant Professors: Carrie Boettcher, Brittany Dennis, Basil Kessler, Libby Schmanke

Instructors: Alice Hinck, Mike McEchron

The Department of Counselor Education offers graduate studies leading to the Master of Science degrees in Art Therapy Counseling, Clinical Counseling, Rehabilitation Counseling, and School Counseling. There is also a shared curriculum option in Art Therapy Counseling and Clinical Counseling resulting in an M.S. in Art Therapy Counseling and an M.S. in Clinical Counseling.

The department, which is housed in The Earl Center, 1601 State St., has a professional counseling clinic which includes digital audio-visual recording technology, individual and group counseling rooms, and an electronic health recordkeeping system all essential to the preparation of counselors in a global society.

Complete applications to Counselor Education are reviewed by an internal faculty committee. If selected for interview, applicants will meet with the committee on campus, by teleconference, or by videoconference. Applicants are notified of the committee's decision within two weeks of the interview.

Degree Candidacy Requirements

Candidacy is the formal approval for pursuit of the master's degree after it is determined that all specified criteria have been met. Upon completion of six to twelve credit-hours, students should make application for Degree Candidacy through their advisor.

Requirements for degree candidacy are as follows:

Degree plan filed through student's advisor.
Maintain a B average with no grade lower than B in core courses.

Graduation Requirements

In order to receive a master's degree from this department the student must accomplish the following:

1. Complete an approved program of study as developed and approved by the assigned faculty advisor.
2. Apply for Degree Candidacy.
3. Pass a written comprehensive examination (taken during the final semester of enrollment). Art Therapy Counseling students complete either a Master's Project or Thesis and do not complete comprehensive examinations. Comprehensive examinations are coordinated by the department's administrative assistant. Therefore, students need to sign-up for this examination during their final semester of internship. An alternative to the comprehensive examination is completion of a master's level thesis. Students pursuing the dual curriculum in Art Therapy Counseling and Clinical Counseling have to complete the comprehensive examination for Clinical Counseling and either the Master's Project or Thesis for the Art Therapy degree requirements.
4. Complete an Intent to Graduate Form (submit to the Graduate Office).

ART THERAPY MASTER'S DEGREE OPTIONS

The purpose of the art therapy program is to prepare professional art therapists. There are three options available to applicants:

1. A 60 credit hour Master of Science in Art Therapy Counseling;
2. A 90 credit hour, dual curriculum culminating in two master's degrees: the Master of Science in Art Therapy Counseling, and the Master of Science in Clinical Counseling; or,
3. A 90 credit hour, dual curriculum culminating in two master's degrees: the Master of Science in Art Therapy Counseling, and the Master of Science in Clinical Psychology.
4. A 30 credit hour Master of Science in Art Therapy (Post Master's MS) for those who

already hold a masters degree in a mental health field.

Applicants pursuing the dual curriculum option in Art Therapy Counseling and Clinical Counseling/Clinical Psychology must make application to each program separately.

ART THERAPY COUNSELING MASTER'S DEGREE ADMISSION REQUIREMENTS

Persons wishing to pursue a master's degree in Art Therapy Counseling are required to make application through the Graduate School prior to being admitted by the department. Applicants should complete all of the necessary admission requirements prior to their initial enrollment in courses.

An admissions committee composed of faculty members will consider the following criteria in deciding whether or not to recommend an applicant for admission:

1. Completed graduate school application online, at the Graduate School website;
2. Official transcripts showing earned BS, BA, BFA, or BSE degree;
3. Undergraduate Grade Point Average (GPA) of 3.0 or higher on a 4.0 point scale or a 3.25 on the last 60 semester hours, and/or graduate GPA of 3.0 or higher;
4. Writing style and content of program application;
5. Education and employment history: Please mention any volunteer or work experience with special populations in online application;
6. Three (3) references, at least one (1) from a current or former psychology professor. Reference forms are available at the Graduate School website, however, letters are preferred;
7. Interviews with faculty may be requested. Interviews may be conducted in person or via distance technology.
8. Completed Art Therapy Counseling program application, available at the Graduate School website or by contacting the Department at 620-341-5220;
9. Applicants interested in the dual program with Clinical Counseling or Psychology must

complete a separate application available at the Graduate School website.

10. Graduate Record Examination (GRE) with a target score of 300 (verbal and quantitative);
11. Prerequisite of 12 semester hours of psychology to include Abnormal Psychology and Developmental Psychology;
12. 18 credit hours of studio art coursework; and,
13. Electronic portfolio with 15-20 examples of artwork demonstrating competence with a range of media.

All qualified applicants to Counselor Education receive equal consideration for admission, regardless of race, ethnicity, color, national origin, sex, gender, familial or parental status, marital status, sexual orientation or identity, religious or non-religious beliefs, age, disability, military or veteran status, or socioeconomic status. ESU provides accommodations to applicants with disabilities, as requested from the Office of Disability Services. People of color and persons with disabilities are encouraged to apply.

Students must complete the art therapy and counselor

education courses with a “B” grade or better. Direct art therapy experience under AT-R supervision is required in Art Therapy Internship. The combined experience must total at least 750 supervised hours of internship, which may be divided over two or more semesters at approved sites. Internship often begins Spring or Summer semester of the first year. Students are required to work with at least two different populations for a minimum of 1000 hours. A student must be a degree candidate before enrolling in internship.

Length of Program

The M.S. in Art Therapy Counseling is designed to be completed in two academic years including summer internship however, part-time study is possible, which will increase the length of the program. Students with background deficiencies and those beginning the program in the spring semester should plan for extra time to complete degree requirements.

OPTIONS

- a) **Because the curriculum parallels that of a Master of Science in Clinical Psychology and Master of Science in Clinical Counseling,** students may choose to complete the additional hours and internship for a second master’s degree.
- b) Additional education hours and student teaching may also qualify students for postgraduate teacher licensure in Art Education or Special Education with the state of Kansas.
- c) The post-master’s Master of Science in Art Therapy is designed for professionals already holding a master’s degree in a related, master’s –licensed field such as social work or counseling who would like to pursue a dual identity as an art therapist.

MS DEGREE, ART THERAPY (POST MASTER’S)

Prerequisites: In addition to the prerequisites listed above, applicants must have earned their graduate degree in a mental health field (Social Work, Psychology, Clinical Counseling, Marriage and Family Therapy) within the past seven years OR have an active state license in their field.
