Elementary Education Requirements
Emporia State University

Please initial in each box.

☐ **I am responsible for knowing and fulfilling all the requirements in order to attain an elementary education degree from ESU.**

☐ Math Gateway passed

☐ Discussed and understand iPad requirements

☐ I have been informed of the minimum requirements to enter Block I. They are:

    ☐ Passing the Reading, Writing, and Math sections of either (or through a combination of) the Praxis CORE and/or ESU CAAP tests. Please use the following url's for more information:
    www.ets.org/praxis
    http://www.emporia.edu/oira/testing/caap.html
    REQUIRED PASSING CORE SCORES: Reading- 156, Math- 150, Writing- 162
    REQUIRED PASSING CAAP SCORES: Reading- 57, Math - 55, Writing- sliding scale

    ☐ Core General Education GPA of 2.75

    ☐ Cumulative GPA of 2.5 (this includes all colleges attended)

    ☐ All Core General Education courses must be completed **before** Block 1.

    ☐ 100 hours of Supervised Work Experience with Children or Youth - Documentation required. At least 30 hours recommended in an elementary classroom.

    ☐ Spelling, Reading, & Handwriting Tests- Passed
        o This is a series of tests completed in the course – EL312 Reading and Writing Connections

    ☐ Must have a 'C' or better in the courses marked with a • on your BSE degree completion plan.

    ☐ Junior-level or post-baccalaureate classification in the university.

☐ Additional meetings may be required throughout the program as needed.

☐ I am also aware that to enter Block 2, I must have successfully completed Block 1 with a 'C' or better in all courses. To enter Block 3, I must successfully complete Block 2 with a 'C' or better in all courses. I must interview and be accepted by the PDS site, to receive placement in a Block 2 and 3 classroom.

☐ As part of my educational training, I will complete two semesters (Block 2 and 3) as an intern in a Professional Development School (PDS). **This is an 8:00-5:00 Monday through Friday obligation.** There is a 10-week period in Block 2 when you will meet as a class during the day at a designated site to complete your Elementary Methods courses. The second semester of internship (Block 3) is my full time "student teaching" experience. **I know I must complete Block 2 and 3 at one of our partnered PDS sites.**

☐ There will be an extra fee of $125 per semester for the Block 2 and 3 experiences in a PDS classroom. This fee is in addition to other required tuition and fees.

☐ Additionally a $60 fee will be added to score the TWS (Teacher Work Sample).

☐ The Principles of Learning and Teaching Exam (PLT) and Content Area Test must be successfully passed to graduate from ESU and to be recommended for teacher licensure in the State of Kansas.
