Please Note: If you decide to pursue one of the above endorsements you first need to contact the designated advisor for that endorsement area in order to discuss the requirements of that specific endorsement. If after you have covered that information with the advisor and it is your desire to pursue the endorsement that advisor needs to fill out the attached form and return it to registration. You will then need to contact the Elementary Education Advising Office to add the endorsement classes to your Long Range Plan. If you have any questions or concerns please feel free to contact the Elementary Education Advising Office in Visser Hall 225 or by phone at (620) 341-5770.
