Professional Education Licensure by State

MARYLAND

www.emporia.edu/teach/

For academic programs that may reasonably be assumed to lead to professional licensure, these disclosures indicate, as of July 2020, the states where the university has determined through reasonable, good faith effort that such programs:

- Do meet the applicable professional licensure education requirements;
- Do not meet the applicable professional licensure education requirements; or
- Have not been able to be identified as meeting the applicable professional licensure education requirements.

Each state has its own licensure requirements, so it is best to contact the relevant state department of education prior to beginning your program. For a list of US states and territories departments of education's certification requirements, visit this link.
