

EMPORIA STATE UNIVERSITY
Department of Physical Sciences
Application for 2020-2021 Academic Scholarship
Continuing Undergraduate Students

Complete this application only if you are a declared major in Physical Sciences. To be considered for Physical Sciences scholarships, students must have a **minimum 3.0 cumulative grade point average (GPA)**. Complete both sides of this application and return it by **FEBRUARY 15**. Late applications are accepted. Priority is given to applications received before the deadline.

For scholarship review, a **Continuing Student** is a student who has completed 12 or more credit hours at Emporia State University or other college or university. High school courses for college credit are not counted towards this total.

Scholarship recipients must be enrolled full-time during the period for which they receive a scholarship (minimum of 12 credit hours). Students will be notified by the University following review of applications.
