

Title II Reporting

Higher education institutions which prepare teachers are required by Congress to submit a report summarizing the performance of program completers on specified assessments to the Kansas State Department of Education by April 7 of each year beginning in 2001. This same information must be made available to the public in catalogs and other materials provided to prospective students, guidance counselors, and employers of our graduates. The information presented below summarizes pass rates on Praxis II Content Assessments as well as the Principles of Learning Test (PLT).
