FINAL EXAMINATION SCHEDULE

The first day that a class regularly meets determines the final exam block. [Example: For a class that regularly meets MT, MW, MWF, MTWR, MTWRF, WRF, WF, M only, W only, F only, etc., the student will check the "MWF" blocks. For a class that regularly meets TR, TWR, TWRF, T only, R only, RF, etc., the student will check the "TR" blocks.]

The time within each block on the final exam schedule is determined by dropping the minutes off the regular class time. [Example: For a class that regularly begins at 9:15, 9:30, or 9:45 on Wed., the student will check the 9:00 MWF block.]

After it has been determined which block fits a specific class, the student will check the far left column to determine the time of the examination and the top of the schedule to determine the day the examination will be given. Examples: The examination time for a 9:30 TR class would be 10:10-12:00 on Thursday, May 11th. The examination for a 1:00 MWF class would be 1:00-2:50 on Wednesday, May 10th. The examination for an 11:30 Thursday class would be 8:00-9:50 on Friday, May 12th.

ENROLLMENT INSTRUCTIONS AND INFORMATION

<https://www.emporia.edu/academics-majors/academic-affairs/office-registrar/enrollment-registration-courses/course-enrollment-procedures-information/>

Courses Requiring Permission to Enroll

Courses such as independent study, projects, research, thesis, etc., may REQUIRE permission of the department chair or instructor before students enroll. Students must contact the appropriate department to secure permission to register for these courses. **These classes are indicated with a "Y" to the left of the course prefix, double section**

letters beginning with the letter "P", and an appropriate note such as "permission," "consent," etc., in the prerequisite column.

Registration Procedures for Currently Enrolled Students

(Students not advised in SAC)

1. Meet with your advisor and discuss your schedule of classes for the spring semester and enroll. You may be given a PIN to enroll yourself through your Hornet 365.com account. An advisor may opt to assist you with enrolling rather than providing you with your PIN to enroll yourself. Remember all enrollment holds must be satisfied prior to class registration.
2. If you have problems with your enrollment the Registration Office will assist you.
3. Update your student information through your Hornet365.com account, including your mailing address and cellphone number.

AUDITING OR VISITING A CLASS

Students who wish to take a course but do not need or want the credit to be counted toward degree requirements may "audit" that course. The student must secure the instructor's permission and inform the Registration Office during the **first ten days of classes, or prior to the first day of the class when it is less than one semester in length**. Students must pay the same fee for auditing a course as would be paid for taking the course for full credit. (Residents of Kansas who are 60 years of age or over may audit classes free of charge.) Students should consult their academic advisor before signing up to audit a course.

REINSTATEMENT / READMISSION - Students who were required to withdraw the last time they attended ESU or students returning to ESU after a semester's absence should contact the Registration Office, 108 Plumb Hall or by phone at 620-341-5211, to process a reinstatement or readmission form. The Registration Office will determine the student's previous advisor.

LOAD- Undergraduate students may take up to and including 18 hours with permission of their advisor. *(A student enrolled in one or more developmental courses will be limited to a total semester enrollment of approximately thirteen credit hours. This applies to new students beginning in Fall 1999 and thereafter.)*

Graduate students may take up to and including 16 hours with permission of their advisor (12 hours for graduate assistants).

OVERLOAD -Students with superior academic college records may petition to exceed the above stated loads. Written approval to carry an overload must be secured from the student's advisor, the chair of the department of the student's major, and the graduate dean, if for a graduate student. Forms are available in the Registration Office. The overload form must be processed before the end of the first week of classes. Failure to process the form by this time may result in withdrawal from all or part of the student's classes.

POLICY ON DROP-ADD, WITHDRAWAL, AND MIDTERM GRADING

Add Period--The official add period consists of the first five weekdays of each semester. No class may be added after the official add period without the instructor's permission. (The instructor must complete the "Change of Registration" form for each course added.) No class may be added after the 10th day of classes.

Drop Period--The official drop period consists of the first 10 weekdays of each semester. No record of classes that are dropped during the official drop period will appear on the student's transcript.

The Registrar will determine the official add and drop periods for classes taught in less than a full regular semester.

Midterm Grades --Each instructor shall, by the **end of the eighth week of each regular semester**, evaluate undergraduate students' progress and post a midterm grade for each undergraduate student enrolled in the class. An instructor teaching a graduate-level course has the option of evaluating by the **end of the eighth week of each regular semester** all of the graduate students in the course. For this purpose, the instructor can assign graduate students a grade as appropriate for the course. The instructor who is teaching a graduate-level course and who chooses to give an eighth-week evaluation shall post a midterm grade for each graduate student enrolled in the course.

For classes taught in less than a full regular semester, the instructor will make the evaluation available to the student in time to allow the student to withdraw before completion of 5/8 of the course. **Midterm grades are available on Hornet365.com (see previous page).**

Withdrawal Policy--If a student elects to withdraw from one or more classes **after the official drop period (first 10 weekdays) through the tenth week of a regular semester**, the grade of "W" will be recorded on the transcript regardless of the student's standing in that class. The advisor must sign the withdrawal form. After the tenth week of the regular semester, the student may not withdraw from class nor may the instructor assign the grade of "W". In extreme cases, the student may appeal to the Office of the Associate Provost to receive a grade of "W" after the tenth week.

Classes taught in less than the regular semester, will follow a similar pattern. If a student elects to withdraw from one of these shorter classes after the official drop period and before 5/8 of the class periods have been completed, the grade of "W" will be recorded on the transcript. After 5/8 of the class periods have been completed, the student may not withdraw nor may the instructor assign the grade of "W." In extreme cases, the student may appeal to the Office of the Associate Provost to withdraw with the grade of "W" after 5/8 of the class periods have been completed.

Developmental Courses--A student enrolled in a developmental course or courses may not drop or withdraw from such courses unless withdrawing from the university.
