

# EMPORIA STATE UNIVERSITY

## JUMP START

### ESU Concurrent/Dual Credit Program

Any high school student in Kansas can get a “Jump Start” on their general education college course work through supported online, on campus, or dual credit instruction with Emporia State University. Jump Start courses are offered at the discounted tuition rate of \$100 per credit hour! With this program, high school students can gain up to **9 credits** of college coursework in the fall and spring semesters, and up to **6 credits** over the summer.

To participate in the program:

1. Complete the **Jump Start Enrollment Form** indicating the course(s) you want to take in the upcoming semester. Please complete one form per semester of enrollment.
2. Turn the form in to Undergraduate Admissions to get enrolled.
3. Watch for an email notification of your Hornet 365 login to access student account information.
4. Pay the total tuition amount before **5:00 p.m. on Monday, January 22**, the fifth class day of the semester.

EG 102 Composition II	3	\$844.35	\$544.35	\$300.00

Classes listed above are just some of the general education courses offered by Emporia State University. These credits are transferable to other institutions, however, students should verify with their university of interest how the credit transfers. Descriptions of the online course offerings are on the back of this flyer. **Students are also encouraged to take any on-campus courses at ESU as their schedule allows and high school administration approves.**

The tuition cost is determined by the number of credits the student is enrolled in and is due by the fifth day of ESU classes. Payment can be made via cash or check made out to Emporia State University. Online payment may be completed only after the student is enrolled and given their Hornet 365 login info.

Questions about Jump Start? Contact Emily Luthi, Assistant Director of Undergraduate Admissions, at 620-794-9727 or eelbert@emporia.edu.

## General Education Offerings (students can take classes not listed as well)

**EG101 Composition I – 3 Credit Hrs** – (Prerequisite: Minimum ACT English score 16) This course emphasizes fundamental principles of written English and rhetorical modes available to the writer. Students will write essays based on their reading and experiences in the context of issues pertinent to their immediate situation.

**EG102 Composition II – 3 Credit Hrs** – This course is a continuation and development of EG 101. The thematic orientation of the course permits the student both a broad study of writing problems and practical experiences with an in-depth study of a particular area of his or her own interests. (Prerequisite: EG 101 or credit for EG 101 by examination)

**GB100 General Biology – 3 Credit Hrs** – This course is designed to develop a basic understanding of living processes in animals, plants, and microorganisms. Major emphasis is placed on concepts which will prepare student to become informed citizens in today's society.

**PE100 Active Living (8-week block) – 1 Credit Hr** – This course encourages personal awareness and responsibility for maintenance of health and physical well-being through physical activity. Through lab experiences, students will expand their knowledge base of health and wellness.

**MA110 College Algebra – 3 Credit Hrs** – (Prerequisite MA097 or, MA 098, or ACT Math score 22 or appropriate score on the Algebra Evaluation.) This course provides a review of the concepts and skills of algebra with an emphasis on functions. Topics include linear, quadratic, rational, exponential, and logarithmic functions, as well as solving equations and inequalities.

**AR105 Art Appreciation – 2 Credit Hrs** – This course observes the purpose and manner in which art is created. The class covers the production of art through a variety of mediums, discusses the visual principles involved in viewing artistic works, while examining the aesthetics of art. Highlights throughout the history of art are also covered.

**SP101 Public Speaking – 3 Credit Hrs** – An introduction to the principles and practices of preparing and presenting speeches to audiences. A lecture laboratory course designed to increase understanding of, and develop skills in, the processes of audience analysis, speech preparation, and speech presentation.

**UL100 Research Skills, Information & Technology – 3 Credit Hrs** – An introduction to the concepts and skills needed to locate, evaluate and use information in a manner that contributes to academic, professional, and civic success. This course emphasizes critical thinking skills through an examination of: finding and evaluating information, ethical issues in information, and using information to create new knowledge.

**SO101 Intro to Sociology – 3 Credit Hrs** – A study of the factors in the social life of people, such as culture, groups, collective behavior, communities, social institutions, and social change.

**PY100 Intro to Psychology – 3 Credit Hrs** – A course designed to cover the major areas of concern in psychology (learning, perception, personality, and behavior disorders) which will give the student a basis for advanced work in understanding human behavior.
