

OCTOBER NEWSLETTER

CAN THE BODS

Join us in the spirit of giving as we participate in the annual food drive competition, “Can the Bods,” between Emporia State University and Washburn University! Hosted by the Associated Student Government and Corky’s Cupboard, Can the Bods brings our communities together for a noble cause. Our overarching mission this year is to collect 800 nonperishable food items and raise \$4,000 to support Corky’s Cupboard, a vital resource for those in need. The campaign kicked off on September 5th and will continue until October 6th. Students, faculty, staff, and alumni from both universities have united to make a difference by collecting food items, hygiene products, and monetary donations. We can’t wait to see the impact we can create together. Stay tuned as we reveal the official winners on October 14th during the football game against Washburn, hosted right here at Emporia. Let’s show our generosity and dedication to this important cause!

SENATOR OF THE MONTH

We are proud to recognize our two Senators of the Month, Senator Cole and Senator Takahashi, for their outstanding leadership and unwavering commitment to helping others. Their dedication to our community has shone brightly, as they consistently lend a helping hand and set a remarkable example for their peers. We applaud their contributions and look forward to their continued excellence in service.

---	---	--	---

Sigma Phi Epsilon is a recognized student organization (RSO) and fraternity at ESU. Their mission is to build well-rounded individuals, focusing on academic excellence, leadership, and community involvement. They host service events like Move-In Day and Teeter Totter to give back to the community, and they also emphasize social and brotherhood aspects to create lasting friendships. SigEp’s purpose is to help its members grow into balanced men who excel in various aspects of life, both academically and personally.
