1	1.75%	<div><div></div></div>	I am provided with three meals a day. I get to select from many different options every meal.
1	1.75%	<div><div></div></div>	I can always find something at the cafe or hornet express.
1	1.75%	<div><div></div></div>	I can eat so..
1	1.75%	<div><div></div></div>	I could eat all my meals on campus and it would get me all I need. I don't eat on campus as often as I should because I don't like the food all the time.
1	1.75%	<div><div></div></div>	i eat every lunch and dinner
1	1.75%	<div><div></div></div>	I eat my meals at the cafe all the time.
1	1.75%	<div><div></div></div>	I get enough to eat.
1	1.75%	<div><div></div></div>	I get the food I need
1	1.75%	<div><div></div></div>	I go into the cafeteria for about a third of my meals, and I am quite happy with the amount of Dining Dollars I have to use.
1	1.75%	<div><div></div></div>	I have no allergies and I always have access to protein, vegetables, and grains. It's all I can ask for
1	1.75%	<div><div></div></div>	I have seen a lot of improvements and I really like the caf now
1	1.75%	<div><div></div></div>	I have the unlimited swipes so I never have to worry about how many swipes are left on my card, plus I have enough in dining dollars to fulfill my wants of a drink from Starbucks or a snack from Hornet Express.
1	1.75%	<div><div></div></div>	I have unlimited meals, so I have enough food for the semester.
1	1.75%	<div><div></div></div>	I have unlimited swipes to the dining hall which I use everyday.
1	1.75%	<div><div></div></div>	i have way more swipes and money then needed

1	1.75%	<div><div></div></div>	I like the variety and the staff and pretty much can eat healthy or unhealthy just depends on my mood that day
1	1.75%	<div><div></div></div>	I love the main protein and vegetable option that they have everyday because it meets my gluten free needs. I do wish they had more gluten free desserts like muffins or something.
1	1.75%	<div><div></div></div>	I mean I have the unlimited so I know that if I really need it I can eat at the caf.
1	1.75%	<div><div></div></div>	I only was on campus for half a year so I got the meal plan that would let me get about a meal a day from the cafeteria.
1	1.75%	<div><div></div></div>	I use hornet bucks / declining balance and it works for me, i like how it does not expire at the end of the semester
1	1.75%	<div><div></div></div>	I wish there were more pears or peaches. I also would like ham at the salad bar to go with it. Sometimes there isn't meat at the sandwich bar. I do enjoy it overall I can usually grab something for lunch and dinner.
1	1.75%	<div><div></div></div>	I would like more dining dollars and less swipes but the right plan didnt really exist
1	1.75%	<div><div></div></div>	It fits my needs, but the food is always so bad. I eat it because it's what is free and available, but the selection is always so small and I eat the same things everyday
1	1.75%	<div><div></div></div>	It is almost still too many swipes for me.
1	1.75%	<div><div></div></div>	It provides food for me in between classes and throughout the day on the week days. However, on weekends it's hard to eat in here because they're only open for selected hours so I usually don't eat here on the weekends because I work 7-7
1	1.75%	<div><div></div></div>	It really meet my needs, because It has all kinds of food
1	1.75%	<div><div></div></div>	Plenty of swipes and options
1	1.75%	<div><div></div></div>	The meal plan does what it needs to do. Provides me with food to ensure I do not hungry when I don't have food in my fridge. Now there is something to be said about the quality of the food in some instances, but it does its job.
1	1.75%	<div><div></div></div>	There is always something that I can eat.
1	1.75%	<div><div></div></div>	Yes but I wish there were more dinning buck for the all acses plan because i could miss the serving times because classes and I'd hope to have something else with out worring about the lack of money on it
1	1.75%	<div><div></div></div>	Yes but I wish we had more dining dollars. They help when we have a conflict over lunch or dinner time.
1	1.75%	<div><div></div></div>	Yes, but I wish there was a way that we could check how many dining dollars we have
1	1.75%	<div><div></div></div>	Yes, but not always. A lot of the time I have rice for dinner and that is it.
1	1.75%	<div><div></div></div>	Yes, there is enough food to eat. However, the food is lacking in variety and is often not the right temperature.
1	1.75%	<div><div></div></div>	Yes, they provide me food. I don't have any particular allergies or preferences, so I'm willing to eat anything
1	1.75%	<div><div></div></div>	Yes,it does I know I am covered whenever I need food

41 41.84% No, please explain in textbox.

Count	Percent		
1	2.44%	<div><div></div></div>	As someone who has a lot of required late rehearsals, practices, classes, etc. it's often hard to even make it to the cafeteria during the evening hours
1	2.44%	<div><div></div></div>	Gives me stomach issues so I can barely eat there.
1	2.44%	<div><div></div></div>	I am a vegetarian and there are usually not as many or not very appealing options for me to eat daily.
1	2.44%	<div><div></div></div>	I am an athlete and would like more nutritional value to my food choices. They aren't terrible but I would like to have food that isn't so greasy and heavy all the time.
1	2.44%	<div><div></div></div>	I don't think that the food is always the best quality. Also for breakfast, they have recently gotten rid of the toppings (jelly, butter, cream cheese) for the toast and bagels. The food is not always hot.
1	2.44%	<div><div></div></div>	I eould prefer more dining dollars as I feel the cafeteria is a waste of my time as I never know what they are serving, their menu app is never right, and half the time the food makes me feel sick.
1	2.44%	<div><div></div></div>	I generally find myself still hungry. I feel that each option is very carb or wheat heavy. But to try a salad there is rarely any protein. Sometimes there is eggs but never any meat.
1	2.44%	<div><div></div></div>	I have allergies and there are not a lot of food I can safely eat in the caf

1	2.44%	<input type="text"/>	I think that my meal plan, while it's the one with more dining dollars and less cafeteria swipes, I don't feel like I'm getting my money worth it since I only go to the cafeteria a few times a week. I also think the meals offered in the cafeteria don't meet the nutritional needs I want. The same things are offered daily.
1	2.44%	<input type="text"/>	I think there needs to be more of a variety on the grill side. Sweet potato fries and chicken nuggets are always a great hit, but we almost never have them.
1	2.44%	<input type="text"/>	Inconsistent weekly, needs more variety(of all food groups)for example: breakfast is good, however lunch and dinner need to follow suit. Need to provide healthy and nutritious options for students and faculty.
1	2.44%	<input type="text"/>	It's terrible food
1	2.44%	<input type="text"/>	It's too expensive and I hardly eat there anyway so it's dumb that I have to pay for that just too live in dorms
1	2.44%	<input type="text"/>	Limited times on when I can eat
1	2.44%	<input type="text"/>	Missing variety of fruit and more protein in the salad bar
1	2.44%	<input type="text"/>	Most days the food is ok, but there are many times where the offerings do not have enough nutrition, or do not taste good, or were not cooked properly.
1	2.44%	<input type="text"/>	Most of the times Early in the morning there is no fruit. Protein or rice is not cook And you end up eating fast food hamburger or pizza.
1	2.44%	<input type="text"/>	Need more steak and eggs!
1	2.44%	<input type="text"/>	No
1	2.44%	<input type="text"/>	Not a whole lot of variety for sensitive stomachs/ other diets
1	2.44%	<input type="text"/>	Not enough times open; food quality is bad gotten food poisoning on multiple occasions making it feel like if my time and money. Get rid of sadexo.
1	2.44%	<input type="text"/>	not good
1	2.44%	<input type="text"/>	Often I don't get dinner because everything closed and I have class during dinner hours
1	2.44%	<input type="text"/>	Serving hamburger every day for a month is gross
1	2.44%	<input type="text"/>	The cafe food is the same all the time and when it does switch, it's not that good so I end up just eating salad when I go to the cafe so I don't go to the cafe often to use my meal plan
1	2.44%	<input type="text"/>	The dining hall is typically not open during hours that I can go which is frustrating since I am paying for it. I also feel like we get served the same foods very frequently with little variety.
1	2.44%	<input type="text"/>	The food is inconsistent and the fresh grilled burgers last year were amazing but those were taken away. Not enough variety and there isn't any single item that is consistently edible every night.
1	2.44%	<input type="text"/>	The food is just awful and I've heard too many complications with the food to even dare to eat it. Honestly, I would like a way to opt out of it because it feels like a waste of money.
1	2.44%	<input type="text"/>	The food is so bland and unappetizing that I get uneasy and grimace thinking about going to eat in the caf. I used to go for a long time just for the cheeseburgers but even they get tiring after so long. I just stopped going after a while because I know I won't enjoy the food. I would prefer more dining dollars with less swipes so I could just stay away from the dining hall but keep the dining dollars options
1	2.44%	<input type="text"/>	The food is very inconsistent and it's really good some days and others the food isn't cooked all the way.
1	2.44%	<input type="text"/>	There are not a lot of differences in the day to day meals
1	2.44%	<input type="text"/>	There are not good options for someone who is gluten and dairy free. Providing frozen box meals is not something that was expected. We were shown that there was going to be actual food/meal prepared.
1	2.44%	<input type="text"/>	There is not a lot of food offered that meets my dietary needs.
1	2.44%	<input type="text"/>	There is not enough nutrients provided the food is quite unhealthy.
1	2.44%	<input type="text"/>	There is not enough of a variety for me. There is almost always pizza, hamburgers, fries, rice, and cantaloupe. Apart from the cantaloupe and hamburger, this is a heavily based starch diet.
1	2.44%	<input type="text"/>	While food is always readily available, food served in the dining hall is not always prepared correctly.

Q4. What impression do you have of the food served in the Hornets Nest (dining hall)?

Count		Percent	
70		100.00%	<div></div>
Count	Percent		
1	1.43%	<div></div>	50/50 some days it's delicious and others I often skip meals
1	1.43%	<div></div>	A good one
1	1.43%	<div></div>	At the beginning of the year it was good, lots of variety, but at the end of the year it feels like the same food all the time
1	1.43%	<div></div>	Barely eat there.
1	1.43%	<div></div>	Food is usually decent, sometimes bad, sometimes very good
1	1.43%	<div></div>	Food isn't necessarily the greatest and isn't always prepared correctly.
1	1.43%	<div></div>	Good, if somewhat underseasoned at times.
1	1.43%	<div></div>	How come second semester we just got a cheeseburger and fries basically every day? The pizza was there, but I missed the variety.
1	1.43%	<div></div>	Hurts my stomach and makes me gain weight
1	1.43%	<div></div>	I do not like the food. I have had many meals that simply were not cooked correctly and grossed me out. Even the pizza is sometimes questionable. One day they just had literal hot dog pieces on pizza and tried to serve that. I spent so much money on this meal plan, and I probably eat at the caf twice a week.
1	1.43%	<div></div>	I don't like it most of the time. Too much unseasoned and tough chicken breast.
1	1.43%	<div></div>	I enjoy it.
1	1.43%	<div></div>	I feel as if the food is good and the cooks care about how they make it.
1	1.43%	<div></div>	I feel like some days the food served is really good and other days it is not as good. Some of the food lacks seasoning and is not always warm when it is served.
1	1.43%	<div></div>	I generally like the food - its usually pretty good and I love the improvements on the salad bar and the new vegetarian options! My only issue is sometimes the food is mislabeled and sometimes its cold. But overall I really enjoy the food and look forward to going to the dining hall!
1	1.43%	<div></div>	I like the food but it is often repetitive. I honestly think the area that has the most variety is the desserts Other then that the opinions are the same with minimal things added or changed
1	1.43%	<div></div>	I like the variety of food that the Nest offers.
1	1.43%	<div></div>	I love the main option and having a salad bar with fresh fruit. It's really pretty good. I like all the healthy food they have.
1	1.43%	<div></div>	I really like it, I think it's pretty high quality and there's a ton of options
1	1.43%	<div></div>	I really like the salad bar and how they normally have fresh fruit.
1	1.43%	<div></div>	I think it is okay, but it could be better. One thing that might make it a little better is more variety in choices. There are always burgers but maybe switching it up a little bit.
1	1.43%	<div></div>	I think that the food is pretty bland, is cold most of the time, and lacks diversity and nutritional benefit.
1	1.43%	<div></div>	It doesn't have any seasoning and it is bland. Plus, there have been instances when the food has been inedible due to being overcooked or undercooked.
1	1.43%	<div></div>	It is abysmal and it's always the same things but they've taken away the good things that come from going. And the buns for the hamburgers are so dense that it makes hamburgers awful.
1	1.43%	<div></div>	It is not good lacks flavor and nutrition and it's very repetitive not a lot of variety
1	1.43%	<div></div>	It is not the best. There are good days, but it is mediocre at best. there needs to be labels on things.
1	1.43%	<div></div>	It ranges from bad to middle of the road. I've noticed that the food on breaks or food from guests chefs are usually really good.
1	1.43%	<div></div>	It seems like you are understaffed and there aren't enough people to give us students what we deserve with how much we pay/
1	1.43%	<div></div>	It was nice at first when I first came to campus because there were a lot of options, however over time the options became bland and tasteless. When I came back my senior year I appreciated that there were some new meals being provided and that attempts were being

			made, but overall not much had changed.
1	1.43%	<div></div>	It was ok at the beginning of the year and now it is honestly terrible, I am sick and tired of constantly having dry ass chicken and burgers every day for every meal
1	1.43%	<div></div>	It's a 50/50 shot at it being edible.
1	1.43%	<div></div>	It's adequate. I wish we had more selections.
1	1.43%	<div></div>	It's all the same. Burgers, cheese quesadillas, and pizza.
1	1.43%	<div></div>	It's basically the same exact thing every single day and there is no variety. Half the time the pizza is burnt and the pasta is cold. The breadsticks are warm but hard.
1	1.43%	<div></div>	It's mostly edible, but it's not very good. I can find things to eat there most of the time I go in, but I find myself avoiding it because I find myself limited to one or two food options every time I go in.
1	1.43%	<div></div>	It's not great, sometimes food will be warm but very rarely. Also a lot of the same food for lunch and dinner multiple days in a row
1	1.43%	<div></div>	It's ok- kind of middle of the road.
1	1.43%	<div></div>	It's OK, but most of the time things are really dry
1	1.43%	<div></div>	It's okay
1	1.43%	<div></div>	It's pretty good, there's a wide variety of options to choose from which would satisfy most people. The pizza could be better.
1	1.43%	<div></div>	It's very hit or miss. Some days it's good, some days not so much. Too many cheeseburgers and quesadillas.
1	1.43%	<div></div>	It's alright. Some days it's good. Some days it's not
1	1.43%	<div></div>	It's always cold and the same thing and it tastes old and disgusting
1	1.43%	<div></div>	It's not good. A lot of the times the food is bland and dry. I find hair in my food a lot of the time and they just serve the same foods over and over again. The salad is usually wilted and not even washed. It's very hard to eat healthy here because their options are so limited
1	1.43%	<div></div>	It's okay. Could use more seasonings and be consistently hot (food always seems to be served lukewarm)
1	1.43%	<div></div>	It's really good some days and other the food is under or overcooked.
1	1.43%	<div></div>	It's really good there's a good variety too
1	1.43%	<div></div>	It's really not good
1	1.43%	<div></div>	It's weird a lot of the time. Burnt a lot of the time. The meat taste funny especially the meat for salads.
1	1.43%	<div></div>	Its okay, usually about 6/10
1	1.43%	<div></div>	Kinda bad. Got food poisoning
1	1.43%	<div></div>	Kinda gross, its never fully clean, stocked and the menu online is not correct.
1	1.43%	<div></div>	Mediocre
1	1.43%	<div></div>	Most of it is there everyday so it has gotten old. The quality of the food varies when it comes to lunch and dinner. However, I haven't really had any problems with breakfast except for a couple of times they ran out of food which usually doesn't happen, but I'm guessing they just didn't plan to have that many people those mornings.
1	1.43%	<div></div>	Most of the time you end up eating fast food. Sometimes the protein (chicken) is not cook and they end up putting a lot of sauce (sometimes to spicy) to cover up. Also, please take care of the vegetables in the salad bar.. they are pass (not green but yellow) and the other day we found an insect.
1	1.43%	<div></div>	Mostly edible. When its foreign food like tikka masala, its far more likely to be actually good.
1	1.43%	<div></div>	Not a very good one. I've only been a couple times since I got back from semester break. It just kind of all tastes alike.
1	1.43%	<div></div>	Not good on the weekends and can be hit or miss on the weekdays.
1	1.43%	<div></div>	Not very good, very bland, doesn't change options, 1st semester was better.
1	1.43%	<div></div>	Poor, my pasta sauce was ice cold todai
1	1.43%	<div></div>	pretty good. i like the pizza and salad bar
1	1.43%	<div></div>	Somewhat negative. The food is not of very high quality.

1	1.43%	<div></div>	Sub par food that is overly priced and is on the cusp of expiring.
1	1.43%	<div></div>	That it is definitely made by the mass and don't care about taste
1	1.43%	<div></div>	The food is usually decent. Some meals are great and delicious! Others are a little odd, textured weird, or are not cooked right. For the second semester burgers were served every single day at the grill, I am little disappointed by this. I enjoyed the variety of the first semester.
1	1.43%	<div></div>	The meat is most of the time very dry, but edible. The pizza varies on good and bad, and for breakfast please bring back the cornbread muffins we had for a week last semester.
1	1.43%	<div></div>	The pizza is really good. But the hot meal that changes everyday is typically not the greatest. The burgers and quesadillas get old really fast.
1	1.43%	<div></div>	There is not enough of a variety which ends up in people eating the same meal every day. Such examples include pizza, hamburgers, fries, grilled cheese, quesadilla, cantaloupe, and honeydew. The only variety that I have seen comes from the one food bar, not sure of the name, but they do a good job of including a variety of culturally different foods. However, this may also limit some people's options with the most recent example being lent. It was good that the cafe was able to meet some of its student's cultural and religious needs, but at the same time limited other people's options. Other things that bother me include the pasta bar. Again, you typically see the same thing every day right down to the noodles and sauce that is served. I also struggle with the lack of fruit options and how long it takes sometimes for them to replenish the fruit containers. I do like the option of having soup, but I am not sure if that is available every day.
1	1.43%	<div></div>	To be honest it's questionable and lacks variety.
1	1.43%	<div></div>	very gross, under cooked; over cooked; no taste

1	1.45%	<input type="text"/>	I have less to complain about the taste of the food and more so with how frequently I had to just eat pizza or nothing at all because not much was available.
1	1.45%	<input type="text"/>	I like the pulled pork sandwiches and occasional chicken but not all the time. I also wish the hamburgers were switched out with something else. I enjoy the pasta with white sauce.
1	1.45%	<input type="text"/>	I like the things we have now as long as they have flavor and are not dry
1	1.45%	<input type="text"/>	I wish there was more options like hotdogs, relish, lasagna, spaghetti and meatballs, chicken tenders, Chinese food (that was so amazing when they made it last semester), taco nights.

1	1.45%	<input type="text"/>	I would like to see more international dish options. To go cups for the drinks would also be nice. Chicken nuggets served more often would also be nice.
1	1.45%	<input type="text"/>	I would like to see more pasta options and more options for breakfast foods.
1	1.45%	<input type="text"/>	I would mostly like to see more variety in the foods that are offered. I would also like to have more soup options.

1	1.45%		The express is better than the nest. I usually eat here because I hate the food at the nest so much. I typically eat a sandwich which is pretty good!
1	1.45%		The food in the Hornet Express is good. The convince of it is really helpful and there is always a decent variety of options.
1	1.45%		The food is good the people are not super friendly and approachable. I know that it sucks to work for the dinning services but they all look like they hate their lives and jobs.
1	1.45%		The food is great.
1	1.45%		The food served in the Hornet Express is good. Every time I've been there, the food was good and met my standards.
1	1.45%		The sandwiches in subconnection are great. The food served at the grille is mediocre at best. I like that the types of french fries rotate regularly. The sides (mozzarella sticks, fries, tater tots) taste great, but the main dishes aren't that good. The burger meat isn't the same as Hornets nest, and it's not that good. The chicken tenders are alright, but could be better, I like the idea of having a hot dog, but it doesn't taste that good. I don't know if it the hot dog meat itself, or how it's cooked, but I think selling hot dogs like you would at the stadiums, would be amazing. It would also be nice to have more grab n' go and snacky items in stock. Every time I'm there it seems like they are low on stock. I like the idea of having a variety of chips and candy to to choose from. I like that there are premade grab n' go options like sandwiches, salads, fruit cups, yogurt and nuts, and I'd like to see more things like that. I think it would be cool to have a frozen snack section too, with individual ice cream cups/popsicles.
1	1.45%		Waterdown subway; there food hasn't gotten me sick but I would much rather have another food chain than what we have currently.

1	1.45%	<div></div> NO, a lot of sports and classes run through the lunch and dinner hours, especially on the weekends.
1	1.45%	<div></div> No, as someone who works in the evenings and when clubs and activities start at 6, there isn't ever time to go
1	1.45%	<div></div> No, by being so specific, I never eat lunch because it's only 2 hours long and I have class on all days during those hours and I know a lot of people in similar situations
1	1.45%	<div></div> No, especially not on weekends. I have to wake up pretty early most weekends, and there is not food offered before 11 am, so I find myself having to get food elsewhere. Additionally, the dining hall is never open late enough for me to consider eating dinner there, again especially not on the weekends.
1	1.45%	<div></div> No, I am not hungry during dining hours and it is always too busy when it is short windows.
1	1.45%	<div></div> No, I never have time to go because my classes always make it impossible to make time.
1	1.45%	<div></div> No, I work through the hours or have class.
1	1.45%	<div></div> No, they don't work for night classes
1	1.45%	<div></div> No. I ate the at they are only certain times of the day. Why can't you extend your hours? Especially on the weekends when we get even shorter hours than during the week
1	1.45%	<div></div> No. Sometimes I am not hungry/free until 8pm and the dining hall closes at 7pm. Other than

			the evening closing time though, it works.
1	1.45%	<input type="text"/>	No. There needs to be an option for students later at night because as of right now, students with night classes struggle to make it there.
1	1.45%	<input type="text"/>	No: dinner needs to go until later
1	1.45%	<input type="text"/>	No; I have a very busy schedule and usually I can't get anything in. If the hall was just open till 10pm and then reopen at 8am or 6am that would be great. Like give us an omelette station or more do it yourself stuff. I don't need people in the morning serving subpar food when I can make something better myself.
1	1.45%	<input type="text"/>	No... I work in the evenings from 4:30 to 7:30 and I cannot eat dinner at the nest.
1	1.45%	<input type="text"/>	Not always as I have some late classes during the week. So as I get out on Mondays and Wednesdays from class or work the cafeteria is already closed.
1	1.45%	<input type="text"/>	Not entirely, I wish there were breakfast hours on the weekends because I go into work at 11:00 AM on the weekends so I don't really get to eat before I go to work.
1	1.45%	<input type="text"/>	Not on the weekends, 11:30 is far too late for the first meal of a day, and on weekdays its mostly good, i just wish the dinner could be served later, as 5-7 is a bit early time for dinner.
1	1.45%	<input type="text"/>	Not quite because with the commuter plan I can only get lunch, but next semester my classes are all during the lunch period, so that does not work.
1	1.45%	<input type="text"/>	Not really. I'm never really hungry in the morning, so I don't eat breakfast, instead I use that time to get a few more hours of sleep. I have a 1 hour break between classes at noon, but I usually need to spend it doing homework, working on assignments, or studying for tests. My last class typically gets out at 2, but by that time Hornets Nest has already closed for lunch, and won't open again for dinner until 5. Luckily Hornet Express is open, but there's not much and it's not the same quality as the Hornets Nest. A lot of the times, I'm not hungry for dinner until around 7 or 8 so it'd be too late for dinner.
1	1.45%	<input type="text"/>	On the weekends for "brunch" I wish they were open a little earlier
