The student must secure the instructor's permission and inform the Registration Office during the **first ten days of classes, or prior to the first day of the class when it is less than one semester in length**. Students must pay the same fee for auditing a course as would be paid for taking the course for full credit. (Residents of Kansas who are 60 years of age or over may audit classes free of charge.) Graduate students may take up to and including 16 hours with permission of their advisor (12 hours for graduate assistants), 12 hours in the summer.

**OVERLOAD** -Students with superior academic college records may petition to exceed the above stated loads.
