Policy Section

1.0 Payment of Tuition and Fees

Auditing, Visiting, or Non-Credit Course Fees

Same charge as regular enrollment.

Tuition Policy for Post Baccalaureate Students

Post-baccalaureate students seeking graduate degrees pay graduate tuition rates. Post-baccalaureate students who are not in a degree seeking program (licensure or non-degree seeking) may apply through the graduate application process for consideration of undergraduate tuition for courses numbered 100-499. Courses numbered 500 and above will be charged at the graduate rates. All courses are charged by the credit hour regardless of the number of enrolled hours.

Tuition Policy for Undergraduate Students Receiving Graduate Credit

An undergraduate student may apply a maximum of 12 hours of credit earned in courses numbered 500-799 to a degree program. Approval of the graduate dean prior to enrollment is required to receive graduate credit for those courses. The graduate faculty of each department determines whether graduate courses previously taken are appropriate for a given graduate degree program.

Fee Waiver for Persons Age 60 or Over

Residents of Kansas who are 60 years of age or over on the first day of the term may take courses at the University without paying the regular fee. Some courses may have special fees. The special fees will be paid if the special fees cover the direct cost of supplies and materials. A course taken free cannot be counted toward a degree. The person will be considered an auditor in the class and admission to the class will be by permission of the instructor and only if space is available. Interested individuals should consult with the Registrar or the Director of Admissions.

Kansas Teacher of the Year Tuition Waiver

Tuition will be waived for up to nine hours annually for any past or present Kansas Teacher of the Year. To be eligible, a person must be a past or present recipient of the award under the program administered by the Kansas Department of Education and be employed as a teacher in an educational institution accredited by the Kansas Department of Education.

2.0 Record and Enrollment Holds

When necessary, the University may withhold permission to re-enroll for the nonpayment of tuition and fees, loans, and other charges, and for failure to return University property. Students may be required to pay collection agency and attorney fees and all other charges necessary for the collection, as allowed by law, of any amount not paid.

3.0 Eligibility for Resident Tuition

The registrar of each institution governed by the Kansas Board of Regents shall determine the residence status for fee purposes of each student who enrolls in the institution.

4.0 Refund Policy

Students will receive a 100% refund of tuition and fees for classes dropped through the 10th day of class. There is no refund for classes that are dropped on the 11th day of class through the end of the semester. For short-term classes taught in less than the regular semester, the 100% refund period will follow the policy on dropping a class. The official drop period shall be determined by the Registrar's Office. For detailed information regarding refund dates for the term and/or part-of-term classes, you may contact Cashiering Services. Refunds of \$1 or less may not be refunded. If enrolled for a subsequent semester, the amount may be applied.

Military Refund Policy

Students serving in the Military Services who are called to active duty during an academic term are entitled to receive a full refund for tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

Maryland Refund Policy

For students residing in Maryland, ESU shall provide a refund based upon the annotated code for the state of Maryland.

5.0 Employee Tuition Rates

University employees who are in a benefits-eligible position, employed at least 50% time, and enrolled in courses will receive a waiver of the campus activity fees and/or area fees for whatever number of hours are taken. Employees will be responsible for technology fees, open education resources, public safety and course/college fees. Employees will be assessed tuition at the per credit hour rate up to the full-time campus tuition rate. Employee must complete and submit employee fee waiver form. Eligible employees are also able to apply for tuition assistance up to 6 hours per semester.

6.0 Tuition Waiver Program for Dependents and Spouses of Employees

The Spouse and Dependent Tuition Waiver Program is available for spouses and dependent children of eligible employees to receive financial assistance for a course or courses taken at Emporia State University while seeking an undergraduate or graduate degree. This program will provide tuition assistance only. All participants are required to pay all applicable fees. The application form must be completed and submitted to the Office of Human Resources.

7.0 Graduate Assistant Tuition Waivers

Full-Time Graduate Assistants, Teaching and Research

Applicable tuition up to 12 credit hours is waived for graduate teaching, graduate research, and graduate assistants if working 20 hours per week. Students will be responsible for university fees, area fees, technology fees, and course fees. If a student cancels the graduate assistantship, the student must repay the tuition waiver based upon the number of days remaining in the semester.

Split-Position Graduate Assistants, Teaching and Research

A three-credit-hour tuition course waiver will be applicable for split graduate teaching, graduate research, and graduate assistants if working 10 hours per week. Students will be responsible for university fees, area fees, technology fees, course fees, and resident tuition beyond the three hours waived. If a student cancels the graduate assistantship, the student must repay the tuition waiver based upon the number of days remaining in the semester.

8.0 Midwest Student Exchange

The Midwest Student Exchange Program (MSEP) includes Illinois, Indiana, Kansas, Minnesota, Missouri, Nebraska, North Dakota, Ohio, and Wisconsin. Students must declare a major to be eligible. Graduate students that are residents of noted states are eligible for 150% of Kansas resident tuition (NEARR rate). For eligibility requirements please see MSEP guidelines at <https://www.emporia.edu/graduate-school/admissions-costs/financial-assistance/tuition-reduction-programs>.

9.0 Hornet Nation Waiver

The Hornet Nation Waiver includes Missouri and Oklahoma for the areas that are not included in Corky Plus and the states of Colorado, Nebraska and Texas. Residents of noted states are eligible for the 150% of Kansas resident tuition which provides the same benefit as the NEAR rate.

10.0 University Specific Policies

10.1 Emporia State University-Kansas City

Public educational entities governed/coordinated by the Kansas Board of Regents or under the auspices of the State Department of Education, may be allowed to use the Emporia State University-Kansas City facility on a space available basis for a negotiated fee. The revenue will be remitted from this collection to ESU.

10.2 Contracts and Compensatory Charges

This schedule does not limit the charges which may be collected under arrangements with other governmental or private agencies except that such arrangements may not provide for lesser charges. Tuition or other charges to more nearly cover the actual cost of instruction are specifically authorized. No tuition is charged to students enrolled in programs for which the entire cost is financed by governmental or private agencies. Students taking such courses on campus must pay all required university fees.
