---

PROFESSIONAL EXPERIENCE

Emergency Manager 2013 – Current
Emporia State University

- Provide strategic university-wide leadership and coordination in emergency management.
- Supported the coordination and response to the 2017 City of Emporia, KS water-main break crisis.
- Develop and implement an all-hazards approach to emergency management.
- Assist with the design, development and implementation of emergency preparedness plans and training programs, emergency operations drills, department level emergency and mitigation plans, and interdepartmental activities. Routinely communicates emergency management preparedness measures to all constituents of the university community.
- Review and update policies, programs, and procedures ensuring inclusion of any new legal requirements. Keeps abreast of changes to laws and regulations that impact the university. Utilizes best practices in emergency management and planning.
- Develop, implement, and coordinate university-wide emergency training. Prepare and deliver appropriate training to all constituents of the university community.
- Work with all areas of the university to facilitate, implement, maintain and exercise an effective university-wide business continuity plan that strives to reduce the possibility that university operations will be interrupted in the event of a disaster.
- Serve as emergency preparedness liaison with external community partners.

Public Health Emergency Preparedness Coordinator 2008 - 2013
Lyon County Health Department/Flint Hills Community Health Center
Regional Coordinator
East Central Kansas Public Health Coalition

- Assessed local public health agency capacities to plan, coordinate, and improve public health preparedness.
- Monitored current information about Strategic National Stockpile and assist with plan development, coordination and training.
- Collaborated with health officer, other public health professionals and County Public Information Officer on news releases during instances of disease outbreaks or other public health emergency.
- Served as Regional Coordinator for eight-county public health region, the East Central Kansas Public Health Coalition.
- Supported the coordination and response within Lyon County and the East Central Kansas Public Health Coalition to the 2009 H1N1 Influenza A Pandemic.
- Supported the public health coordination and response to the 2011 Reading, KS tornado.
- Supported the public health coordination and response to the 2012 Harveyville, KS tornado.
- Developed and maintained working relationships with community providers, emergency management, hospitals, and other local, state, and federal emergency response agencies.
- Assisted with disease surveillance, investigation and control activities in all eight counties in coordination with public health officials in those jurisdictions.
- Assessed training needs and coordinated training related to Emergency and Bioterrorism Preparedness and Response for all eight counties.

- Developed annual budget and work plan in coordination with regional partners. Tracked and monitored expenditures and activities and prepare quarterly affidavits and reports.

Regional Coordinator of Independent Living Services 2007 - 2008
Director of Community Outreach
Resource Center for Independent Living, Inc.

- Advocated for and delivered the core services for independent living.
- Assisted consumers in pursuing and obtaining unbiased access to a variety of services and service providers.
- Provided education and outreach promoting person-first language, individual choice and responsibility, advocacy, and programs available to persons with disabilities.
- Responsible for the design, development, and coordination of all advertising, marketing programs, and media relations for eleven offices throughout eastern half of Kansas.
- Developed and implemented targeted marketing campaigns.
- Developed and maintained positive relationships with media to facilitate the promotion of services and communication of the organization's mission.
- Served as spokesperson for the organization through response to media requests, preparation of press releases and public service announcements.
- Developed and administered special events to build community interest and awareness of disability issues and concerns.
- Provided independent living counseling to individuals with disabilities.

Manager and Rehabilitation Counselor 2005 - 2007
Kansas Rehabilitation Services
Social and Rehabilitation Services

- Assistant Program Administrator for vocational rehabilitation services in the South Central Region of Social and Rehabilitation Services.
- Supervised personnel in seven service centers across a seventeen-county region.
- Program administrative responsibility for Career Development Center within the region.
- Coach for Integrated Service Team including personnel from multiple program areas.
- Partnered with Emporia State University Office of Disability Services to develop and implement first disability related advisory committee for the City of Emporia, Kansas.
- Developed Disability Mentoring Day (DMD) planning and implementation committee for the Emporia community and surrounding areas. First DMD event involved over 50 participants.

Benefits Specialist, Working Healthy 2002 - 2005
Social and Rehabilitation Services

- Assisted consumers with disabilities to enroll in the Working Healthy program.
- Provided technical assistance to SRS and community agency staff regarding multiple benefit programs.
- Assessed the impact of employment on benefits through benefits planning and assistance.
- Increased program enrollment and community disability awareness through extensive community outreach.
- Provided rehabilitation counseling to individuals with disabilities to facilitate person-centered decisions.

Intensive Supervision Officer 2001 - 2002
Lyon County Community Corrections 2000 - 2000

- Intensive supervision of juvenile offenders in Fifth Judicial District.
- Prepared court documentation and testified to status of juvenile offenders on probation. Conducted case management for juveniles in the custody of the Juvenile Justice Authority.
- Provided individualized rehabilitation counseling to juvenile offenders.

School Resource Officer 2000 - 2001
Lyon County Community Corrections

- Developed and implemented school-based Truancy Prevention Program for grades 7-8.
- Improved supervision of juvenile offenders on probation and truancy probation cases.
- Improved communication between Emporia Middle School and Community Corrections/Court Services.
- Provided assistance with disciplinary issues to decrease student referrals to the office.
- Provided individualized rehabilitation counseling to youth at-risk.

Independent Living Specialist 1999 - 2000
Mental Health Center of East Central Kansas

- Assisted children and adolescents in acquiring, retaining, and improving the self-help, socialization, and adaptive skills necessary to reside successfully in home and community-based settings.
- Conducted weekly life-skills group for 8-10 individuals.

Rehabilitation Counselor II, Kansas Rehabilitation Services 1998 - 1999
Social and Rehabilitation Services

- Provided vocational rehabilitation counseling for individuals with disabilities in a one counselor office through a three-county area.
- Conducted individualized assessments to determine employment possibilities through review of medical, psychological, and educational records, and employment history.
- Developed individual plans to improve skills and obtain employment consistent with the individual's strengths, resources, priorities, concerns, abilities, capabilities, and informed choice.
- Evaluated job market information and employer needs.
- Coordinated with individuals and organizations to reduce or eliminate environmental and social barriers to employment.
- Assisted students with disabilities in the transition from high school to employment, higher education, specialized training, or other possibilities consistent with the individual's strengths, resources, priorities, concerns, abilities, capabilities, and informed choice.

Service Coordinator 1997 - 1998
Twin Valley Developmental Services

- Developed person-centered plans and provided case management services to adults and children whose primary disability is mental retardation or a developmental disability.
- Coordinated with community service providers to meet the consumer's needs.
