Authorization to Apply Federal Financial Aid to Non-Institutional Charges
Federal student financial aid can only cover “institutional charges” as defined by the U.S. Department of Education. This definition includes current year charges for tuition and fees, and on-campus room and board. It also includes other fees, such as: lab fees, workshops, university registration fees, facilities usage fees, and other specialized departmental or college fees associated directly with taking a class. Unless authorization is received, federal financial aid cannot be used to cover non-institutional charges such as: parking fines, library fines, breakage fees, returned check fees, application fees for short-term installment plans or any charges not directly tied to taking a class.

The only way federal student aid funds can be used to pay for “non-institutional charges” is to obtain your written authorization to pay those charges. This form will allow Cashiers & Student Accounts to apply your federal financial aid to your non-institutional charges.

I authorize Emporia State University to apply my federal student financial aid to any non-institutional charges on my student account.

I understand that this authorization will remain in effect until I submit a written request to cancel this authorization (See address below).

Authorization to Apply Federal Financial Aid to Prior-Year Charges
Federal student financial aid can only cover the “current” academic year institutional charges as defined by the U.S. Department of Education. Therefore, in order to pay “prior year” charges with your current academic year’s financial aid, you must provide written authorization for the University to do so. If you have enough financial aid to cover your current year charges and have excess financial aid that you would like to apply to pay off a prior year balance due, up to $200.00, on your student account, you may do so by completing this authorization form and returning it to Cashiers & Student Accounts.

I authorize Emporia State University to apply my federal student financial aid to pay off my prior year charges.

I understand that this authorization will remain in effect throughout my ESU student career until such time as I submit a written request to cancel this authorization (See address below).
