Cohort application and acceptance is required to enter the ESU program. See an Advisor or go to the web site for more information.

# Must have grade of C or better   * Completed before Block 1

Important notes: Students should know degree requirements and remain informed about progress toward these requirements. Use this sheet to record grades as classes are completed. Classes in Blocks 1, 2 and 3 must be taken in order indicated.

Courses in Block 2 and Block 3 must be taken as a block while completing a year-long assignment in a Professional Development School (PDS). PDS schedule is 8:00-5:00, Monday-Friday. Additional time is required to complete class assignments.

In the BEST program, admission to Block 2 and Block 3 is limited to one cohort of interns per academic year. In the event candidate applications exceed cohort limits, procedures for selective admission to professional standing will be implemented. A copy of these procedures is available in the advising office VH 245 or BEST advising office.

It is very important for all Elementary Education majors to make contact with an Elementary Advisor immediately upon entry into ESU. Students should go through the Block 1 admission process during their junior year.
