Assistant Professors: Melissa Briggs, Alice Frost Hinck, Robert Kircher, Ceara D. Shaughnessy.

Instructors: Libby Schmanke.

The Department of Counselor Education offers graduate studies leading to the Master of Science degrees in Art Therapy Counseling, Clinical Counseling, Rehabilitation Counseling, and School Counseling. There is also a shared curriculum option in Art Therapy Counseling and Clinical Counseling resulting in an M.S. in Art Therapy Counseling and an M.S. in Clinical Counseling.

The department, which is housed in The Earl Center, 1601 State St., has a professional counseling clinic which includes digital audio-visual recording technology, individual and group counseling rooms, and an electronic health recordkeeping system all essential to the preparation of counselors in a global society.

Complete applications to Counselor Education are reviewed by an internal faculty committee. If selected for interview, applicants will meet with the committee on campus, by teleconference, or by videoconference. Applicants are notified of the committee's decision within two weeks of the interview.

Degree Candidacy Requirements

Candidacy is the formal approval for pursuit of the master's degree after it is determined that all specified criteria have been met. Upon completion of six to twelve credit-hours, students should make application for Degree Candidacy through their advisor.

Requirements for degree candidacy are as follows:

Degree plan filed through student's advisor.

Maintain a B average with no grade lower than B in core courses.

Graduation Requirements

In order to receive a master's degree from this department the student must accomplish the following:

1. Complete an approved program of study as developed and approved by the assigned faculty advisor.
2. Apply for Degree Candidacy.
3. Pass a written comprehensive examination (taken during the final semester of enrollment). Art Therapy Counseling students complete either a Master's Project or Thesis and do not complete comprehensive examinations. Comprehensive examinations are coordinated by the department's administrative assistant. Therefore, students need to sign-up for this examination during their final semester of internship. An alternative to the comprehensive examination is completion of a master's level thesis. Students pursuing the dual curriculum in Art Therapy Counseling and Clinical Counseling have to complete the comprehensive examination for Clinical Counseling and either the Master's Project or Thesis for the Art Therapy degree requirements.
4. Complete an Intent to Graduate Form (submit to the Graduate Office).

ART THERAPY MASTER'S DEGREE OPTIONS

The purpose of the art therapy program is to prepare professional art therapists. There are three options available to applicants:

1. A 60 credit hour Master of Science in Art Therapy Counseling;
2. A 90 credit hour, dual curriculum culminating in two master's degrees: the Master of Science in Art Therapy Counseling, and the Master of Science in Clinical Counseling; or,
3. A 90 credit hour, dual curriculum culminating in two master's degrees: the Master of Science in Art Therapy Counseling, and the Master of Science in Clinical Psychology.

Applicants pursuing the dual curriculum option in Art

Therapy Counseling and Clinical Counseling/Clinical Psychology must make application to each program separately.

ART THERAPY COUNSELING MASTER'S DEGREE ADMISSION REQUIREMENTS

Persons wishing to pursue a master's degree in Art Therapy Counseling are required to make application through the Graduate School prior to being admitted by the department. Applicants should complete all of the necessary admission requirements prior to their initial enrollment in courses.

An admissions committee composed of faculty members will consider the following criteria in deciding whether or not to recommend an applicant for admission:

1. Completed graduate school application online, at the Graduate School website;
2. Official transcripts showing earned BS, BA, BFA, or BSE degree;
3. Undergraduate Grade Point Average (GPA) of 3.0 or higher on a 4.0 point scale or a 3.25 on the last 60 semester hours, and/or graduate GPA of 3.0 or higher;
4. Writing style and content of program application;
5. Education and employment history: Please mention any volunteer or work experience with special populations in online application;
6. Three (3) references, at least one (1) from a current or former supervisor if relevant. Reference forms are available at the Graduate School website, however, letters are preferred;
7. Interview with faculty. Interviews may be conducted in person or via distance technology.
8. Completed Art Therapy Counseling program application, available at the Graduate School website or by contacting the Department at 620-341-5220;
9. Applicants interested in the Clinical Counseling program complete a separate application available at the Graduate School website or by contacting the Department at 620-341-5220;
10. Graduate Record Examination (GRE) with a target score of 300 (verbal and quantitative);

11. Prerequisite of 12 semester hours of psychology to include Abnormal Psychology and Developmental Psychology;
12. 18 credit hours of studio art coursework; and,
13. Electronic portfolio with 15-20 examples of artwork demonstrating competence with a range of media.

All qualified applicants to Counselor Education receive equal consideration for admission, regardless of race, ethnicity, color, national origin, sex, gender, familial or parental status, marital status, sexual orientation or identity, religious or non-religious beliefs, age, disability, military or veteran status, or socioeconomic status. ESU provides accommodations to applicants with disabilities, as requested from the Office of Disability Services. People of color and persons with disabilities are encouraged to apply.

Students must complete the art therapy and counselor education courses with a "B" grade or better. Direct art therapy experience under AT-R supervision is required in Art Therapy Internship. The combined

experience must total at least 750 supervised hours of internship, which may be divided over two or more semesters at approved sites. Internship often begins Spring or Summer semester of the first year. Students are required to work with at least two different populations for a minimum of 1000 hours. A student must be a degree candidate before enrolling in internship.

Length of Program

The M.S. in Art Therapy Counseling is designed to be completed in two academic years including summer internship however, part-time study is possible, which will increase the length of the program. Students with background deficiencies and those beginning the program in the spring semester should plan for extra time to complete degree requirements.

OPTIONS

- 1) Because the curriculum parallels that of a Master of Science in Clinical Psychology and Master of Science in Clinical Counseling, students may choose to complete the additional hours and internship for a second master's degree.
- 2) Additional education hours and student teaching may also qualify students for postgraduate teacher licensure in Art Education or Special Education with the state of Kansas.

CLINICAL COUNSELING MASTER'S DEGREE OPTIONS

The purpose of the clinical counseling program is to prepare counselors to serve individuals and families experiencing a range of social justice and wellness concerns. There are three areas of study:

1. Addiction Counseling;
2. Clinical Mental Health Counseling; and,
3. Clinical Rehabilitation Counseling.

Students entering the Clinical Counseling program must select only one of these concentrations. Each concentration meets Kansas state licensing requirements. Additionally, program graduates are eligible to apply for national credentialing.

Applicants pursuing the dual curriculum option in Art Therapy Counseling and Clinical Counseling must make application to each program separately.

CLINICAL COUNSELING MASTER'S DEGREE ADMISSION REQUIREMENTS

Persons wishing to pursue a master's degree in Clinical Counseling are required to make application through the Graduate School in addition to being admitted by the department. Applicants should complete all of the necessary admission requirements prior to their initial enrollment in courses.

An admissions committee composed of faculty members will consider the following criteria in deciding whether or not to recommend an applicant for admission:

4. Completed graduate school application online, at the Graduate School website;
5. Official transcripts showing earned BS, BA, BFA, or BSE degree;
6. Undergraduate Grade Point Average (GPA) of 3.0 or higher on a 4.0 point scale or a 3.25 on the last 60 semester hours, and/or graduate GPA of 3.0 or higher;
7. Writing style and content of program application;
8. Education and employment history: Please mention any volunteer or work experience with special populations in online application;

9. Three (3) references, at least one (1) from a current or former supervisor if relevant. Reference forms are available at the Graduate School website, however, letters are preferred;
10. Interview with faculty. Interviews may be conducted in person or via distance technology;
11. Completed Clinical Counseling graduate student application, available at the Graduate School website or by contacting the Department at 620-341-5220; and,
12. Prerequisite of, or concurrent enrollment in, Abnormal Psychology.

Additional admissions requirements for dual curriculum Art Therapy Counseling and Clinical Counseling applicants:

1. Completed Art Therapy Counseling graduate student application, available at the Graduate School website or by contacting the Department at 620-341-5220
2. Graduate Record Examination (GRE) with a target score of 300 (verbal and quantitative);
3. Prerequisite of 18 semester hours of psychology to include Abnormal Psychology and Developmental Psychology;
4. 18 hours of studio art coursework; and,
5. Electronic portfolio with 15-20 examples of artwork demonstrating competence with a range of media.

All qualified applicants to Counselor Education receive equal consideration for admission, regardless of race, ethnicity, color, national origin, sex, gender, familial or parental status, marital status, sexual orientation or identity, religious or non-religious beliefs, age, disability, military or veteran status, or socioeconomic status. ESU provides accommodations to applicants with disabilities, as requested from the Office of Disability Services. People of color and persons with disabilities are encouraged to apply.

M.S. DEGREE, CLINICAL COUNSELING

The purpose of the Clinical Counseling program is to prepare counselors to work in various addictions and mental health. **The program is one of four Clinical Counseling programs in Kansas accredited by the Council for the Accreditation of Counseling and Related Educational Programs (CACREP).**

The Counseling Internship

Interns will complete a 600 clock hour experience at a site or sites that offer opportunities for working with individuals served by institutions and agencies offering various addictions or mental health counseling services. The intern will engage in both individual and group counseling, and a variety of related activities that a regularly employed staff member in the setting would be expected to perform.

REHABILITATION COUNSELING

The purpose of the program is to prepare masters level rehabilitation counselors to work in a variety of rehabilitation settings, including public rehabilitation agencies, community based rehabilitation programs, correctional programs, alcohol and drug programs, independent living centers, employee assistance programs, educational settings, school to work transition programs, life-care planning programs, halfway houses, and group homes. Rehabilitation counselors provide or coordinate functional assessments; expert testimony; individual, group, and family counseling, vocational/career counseling, job development and placement; medical services; educational training; and follow-along services. Graduates are eligible for national rehabilitation counselor certification (CRC). **The program is the only one of its type in Kansas, and it is nationally accredited by the Rehabilitation Counseling is a 48-credit, fully online masters degree.**

Each student follows the same core curriculum. The unique academic background and work experience of each student is taken into account in planning a program of study. All programs require 100 hours of practicum experience and 600 hours of supervised internship experience working with persons with disabilities. Students will be required to pass the CRC examination or pass a written comprehensive examination.

SCHOOL COUNSELING MASTER'S DEGREE OPTIONS

The purpose of the school counseling program is to prepare counselors to provide support services at the elementary, middle, and/or high school levels. There are three ways to enter the school counseling program:

1. Applicants holding a Professional teaching license in accord with school counselor licensure requirements in Kansas;

2. Applicants who have a degree in a counseling-related field discipline who enroll in the Restricted Licensure program; or,
3. Direct Entry (formerly Parallel Pathways) is an initiative developed by the Kansas State Department of Education. The requirements of teaching license and one year of teaching experience are waived under this legislation, allowing applicants with a bachelor's degree in another discipline to enter a master's program in School Counseling. Additional requirements Direct Entry Candidates must complete an additional 70 clock hours of field experiences in schools to meet KSDE School Counselor license requirements. Completion will be prearranged with program faculty to occur during enrollment in program coursework.

SCHOOL COUNSELING MASTER'S DEGREE ADMISSION REQUIREMENTS

Persons wishing to pursue a master's degree in School Counseling are required to make application through the Graduate School in addition to being admitted by the department. Applicants should complete all of the necessary admission requirements prior to their initial enrollment in courses.

An admissions committee composed of faculty members will consider the following criteria in deciding whether or not to recommend an applicant for admission:

7. Interview with faculty. Interviews may be conducted in person or via distance technology.

8. Completed School Counseling graduate student application, available at the Graduate School website or by contacting the Department at 620-341-5220;
9. A writing sample to be completed at time of interview.

All qualified applicants to Counselor Education receive equal consideration for admission, regardless of race, ethnicity, color, national origin, sex, gender, familial or parental status, marital status, sexual orientation or identity, religious or non-religious beliefs, age, disability, military or veteran status, or socioeconomic status. ESU provides accommodations to applicants with disabilities, as request from the Office of Disability Services. People of color and persons with disabilities are encouraged to apply.

Procedure for Teacher Licensure

Upon completion of the requirements, the student is responsible for applying for licensure by contacting the Certification Office of Emporia State University. The Certification Officer then recommends to the Kansas State Department of Education that the student be endorsed in the appropriate area as a teacher of learners with behavior disorders, learning disabilities, mental retardation, or gifts and talents.

The department will recommend a student for full licensure when all the requirements for the program have been completed. A grade of B or better must be earned in both practicum courses to receive a recommendation.

The program is one of only two CACREP (Council for the Accreditation of Counseling and Related Educational Programs) accredited School Counseling programs in Kansas.
