Information from the KSDE website regarding Teacher Leader:

Teacher Leader 91-1-203-(b) (4)

Professional licenses.

Each applicant for an initial professional school specialist license with endorsement for teacher leader shall submit to the state board the following:

- An official transcript verifying the granting of a graduate degree;
- Verification from an accredited institution by the unit head or designee of completion of a graduate level teacher leader program and verification of successful completion of an evidence-centered assessment; or verification by a teacher who has acquired the competencies established by the teacher leader standards of successful completion of an evidence-centered assessment;
- Verification of at least one year of recent accredited experience or at least eight semester hours of recent credit;
- Verification of at least five years of accredited experience;
- Verification of a minimum 3.25 cumulative GPA on a 4.0 scale in graduate coursework;
- Verification of a currently valid professional teaching license; an application for an initial professional school specialist license for teacher leader; and the licensure fee.

Contact Andra Baldwin at abaldwin@emporia.edu or 620-341-5412 for questions and information on applying for licensure.
