OPTION B - One Teaching Field

Required Courses:
40 hours of courses as required by Option A.

Electives (8 hours):
The student and advisor will elect an additional 8 semester hours of courses with prefixes of SP or TH.

COMMUNICATION MINOR
A minor in communication may be taken by students who have majors in other disciplines. Courses in communication are excellent preparation for students in industry, public relations, management, media, counseling, law, and other professions that are heavily dependent upon good communication skills. Students whose academic major falls within the College of Liberal Arts and Sciences will normally take the minor with the liberal arts option; those whose academic major falls outside the College of Liberal Arts and Sciences will normally take the minor with the business option. Either minor is an appropriate choice for students whose academic program requires a minor as well as for students who are required to have a second program of study under the degree Bachelor of Arts.

LIBERAL ARTS OPTION (21 hours)

Required Courses (9 hours):
SP 100 Interpersonal Communication 3 hours
SP 101 Public Speaking (whichever course is not used to meet the General Education Basic Skill requirement)
SP 306 Advanced Interpersonal Communication 3 hours
SP 307 Advanced Public Speaking 3 hours

Electives (12 hours):
Students select in consultation with an advisor in communication an additional twelve (12) hours of courses in communication to complete the minor. No more than three (3) hours total from the following courses may apply toward the minor: Intercollegiate Forensics (SP 142, 242, 342, and 442); Communication Internship (SP 570 and SP 571); and Independent Study (SP 471).

BUSINESS OPTION (21 hours)

Required Courses (15 hours):
SP 100 Interpersonal Communication 3 hours
SP 101 Public Speaking (whichever course was not used to meet the General Education Basic Skill requirement)
SP 303 Organizational Communication 3 hours
SP 307 Advanced Public Speaking 3 hours
SP 313 Interviewing: Principles & Techniques 3 hours
SP 403 Communication Training & Development 3 hours

Electives (6 hours):
Students select in consultation with an advisor in communication an additional six (6) hours of courses in communication to complete the minor. No more than three (3) hours total from the following courses may apply toward the minor:
- Intercollegiate Forensics (SP 142, 242, 342, and 442);
- Communication Internship (SP 570 and SP 571);
- Independent Study (SP 471).

BACHELOR OF ARTS

THEATRE MAJOR
The degree Bachelor of Arts with a major in Theatre is a broad, general education experience as well as an introduction to major facets of theatre performance, production, design, history and literature. Majors are required to audition for productions and to contribute to all productions, either as cast members or as production crew members; they will normally be enrolled in theatre projects for each production on which they work. To be eligible for production assignments, students must meet academic eligibility standards as established by the department. In addition, the B.A. in theatre is an appropriate degree leading to graduate work in theatre or related fields, such as arts administration, law, public relations, or the ministry.

Required Courses (25 hours):
TH 101 Introduction to Theatre 2 hours
TH 121 Acting I 3 hours
TH 131 Stagecraft 4 hours
TH 221 Acting II* 3 hours
TH 350 Introduction to Theatrical Design 3 hours
TH 381 Survey of Dramatic Literature 3 hours
TH 382 Modern Drama
TH 426 Play Directing 3 hours
TH 457 Scene Design 3 hours
TH 472 Advanced Theatre Projects 1 hour

Required Course Options (9 hours)
Students must choose one course from each of the optional pairs listed below, for a total of 12 additional hours:
TH 210 Movement for Actors 3 hours
TH 223 Voice and Diction 3 hours
TH 351 History of Costume and Décor* 3 hours
TH 454 Costume Design* 3 hours
TH 390 History of the Theatre I 3 hours
TH 391 History of the Theatre II 3 hours
*These courses have prerequisites.

Required Second Program of Study:
Students complete a second program of study of from 15 to 30 hours in another discipline of their choice.

BACHELOR OF ARTS
SECOND PROGRAM OF STUDY: THEATRE
See the section on Theatre Minor.

BACHELOR OF FINE ARTS

THEATRE MAJOR
The degree Bachelor of Fine Arts with a major in Theatre provides intense preparation for students desiring to become competent and knowledgeable in all areas of theatre. General
education requirements are those of LAS majors (non-teaching) and are printed in the undergraduate catalog. Majors are required to audition for productions and contribute to all productions, either in the cast or on a crew. Normally, students are enrolled in theatre projects for each production on which they work. To be eligible for production assignments, students must meet academic eligibility standards as established by the department.

**Electives (13 hours):**

Students will work with their advisor to select courses in theatre arts, communication, music, art, and/or dance.

**THEATRE MINOR**

Students who have majors in other disciplines may take a minor in theatre. The minor consists of 18 semester hours. Courses in theatre are excellent supplements for students planning careers in education, business, psychology, counseling, public relations, communication, law, and other fields that require the ability to work exceptionally well with other people. The theatre minor is an appropriate choice for students in the humanities or fine arts who wish to deepen their understanding of their major fields, as well as science majors who are seeking a breadth of undergraduate experiences. It is also an appropriate choice for students whose program requires a minor, as well as students who are required to have a second program of study under the degree Bachelor of Arts.

SCHOOL OF BUSINESS
(Changes effective Fall 2014)
BACHELOR OF SCIENCE IN BUSINESS
In the School of Business, theories acquired in the classroom are tested via internships, computer-based business decision simulations, case studies, seminars, and discussions with business practitioners, faculty, and students.

Student organizations and groups include: Beta Alpha Psi – a national honor society for accounting, finance, and information systems majors; Beta Gamma Sigma - a national honor society for business students at AACSB-accredited institutions; Marketing Club; Information Systems Club; MBA Club; ENACTUS; Phi Beta Lambda - a national business fraternity for all business majors; and Pi Omega Pi - a national honor society for business education majors.

Business facilities encompass all five floors of Cremer Hall. Instructional programs include the use of the latest computer equipment and software in the Richel Business Computer Laboratory and the computing classroom (CH 320).

General Requirements for the Bachelor of Science in Business degree are as follows:
1. A student earning a Bachelor of Science in Business degree must have a major. A major consists of approximately 60 hours of business courses. An outline for suggested sequences of courses and specific requirements may be obtained from the Business Advising Center or the office of the chair.
2. The student must complete the university's general education program (48-53 hours).
3. The student must complete at least 124 semester hours of credit in courses numbered 100 or above. The 124 semester hours must include at least 45 hours of course work numbered 300 or above.
4. The student must complete from Emporia State University at least 50 percent of the business credit hours required for the degree. At least 15 of these credit hours must be in the student's major.
5. The student must meet the admission requirements and be admitted to the School of Business. (See School of Business admission requirements in the School of Business section.)
6. For students entering any college for the first time as a full-time student in the Fall of 2008 and thereafter, a minimum 2.35 cumulative grade-point average is required.
7. For students admitted to the School of Business in the fall of 2008 and thereafter, a minimum cumulative grade-point average of 2.35 is required in the business core curriculum.
8. The student must achieve at least a minimum score of 135 out of 200 on the Major Field Test in Business.
9. The student must meet competency requirements in reading, writing, and mathematics. (See competency examination requirements in the undergraduate degrees section).

Admission to the School of Business
Admission to the School of Business is required before enrolling in courses numbered 300 or above in the Bachelor of Science in Business disciplines (AC, BC, BU, FI, IS, MG, and MK) for students pursuing a Bachelor of Science in Business or a Bachelor of Science in Education, Business Education Teaching Field. If a student is placed on academic probation or in required withdrawal status, the student’s admission to the School of Business will be rescinded.

Admission Requirements:
1. Cumulative grade-point average of 2.35, effective for students entering ESU, another four-year institution, or a community college for the first time as a full-time student in the Fall of 2008 and thereafter.
2. Completion of 51 hours.
3. Completion of the following courses:
   - AC 223 Financial Accounting
   - BC 103 Principles of Economics I
   - EG 101 Composition I
   - EG 102 Composition II
   - IS 113 Intro to Microcomputer Applications
   - MA 110 College Algebra
4. It is strongly recommended that the following courses be completed prior to admission to the School of Business.
   - BC 104 Principles of Economics II
   - IS 213 Management Information Systems
   - SP 101 Public Speaking

If these courses are not completed prior to admission, the student must enroll in these courses the first semester after admission and every semester thereafter (including summer semesters) until these courses are successfully completed.
5. Prior to being admitted to the School of Business, each student will be encouraged and assisted in developing comprehensive knowledge of University and School of Business curriculum and degree requirements.

Minors in the School of Business
A student may complete a minor in accounting, information systems, management, marketing, entrepreneurship, integrated marketing communications or general business. The general business minor is available for non-business majors only. A minor must include a minimum of 9 credit hours in upper-level courses from Emporia State in the minor area.

Students other than those pursuing a Bachelor of Science in Business or a Bachelor of Science in Education (secondary) with a Business teaching field are restricted to no more than 30 hours of business courses. This limitation applies to a non-business degree student even though the student is pursuing a minor in the School of Business. For more information, students should visit with an academic advisor in the Business Advising Center (CH 301), or by calling 620/341-5523.

ESU – Kansas City & Online
The School of Business offers majors in accounting and business administration in the Bachelor of Science in Business degree program at the ESU – KC facility in Overland Park, KS (a suburban area of Kansas City). Students may complete all required junior and senior business courses without coming to Emporia. These students must meet all Emporia State requirements. ESU – KC students have access to placement services, advising, financial aid, and other university services.

The School of Business also offers the Master of Accountancy program at the ESU – KC facility as a combination of online and face-to-face courses. This program has been designed so that students can complete the program in 1 year.

A fully online Masters in Business Administration program is also available. The online MBA program follows the guidelines already established in our standard MBA program. Additional information is available in the Master Level Programs section.

Business Core
The common business core curriculum includes 13 courses (39 credit hours) and is required for all majors in the Bachelor of Science in Business degree. The business core curriculum is as follows:

Business Core Requirements (39 hours):
- AC 223 Financial Accounting 3 hours
- AC 233 Managerial Accounting I 3 hours
- BC 104 Principles of Economics II 3 hours
- BE 301 Business Communication 3 hours
Courses Offered by the School of Business:

Prerequisite courses must be completed prior to enrollment in all business courses. Students other than those meeting the school’s admission requirements, must have achieved junior status (60 credit hours) prior to enrolling in classes numbered 300 and above in the School of Business.

Double Counting of Hours

Business majors may count no more than six (6) hours of non-core, upper-level business courses on two different majors. Business majors may count no more than three (3) hours of non-core, upper-level business courses on a minor/concentration which is in addition to a major. Double counting of a course is allowed on either a second major or a minor/concentration but not both.

Transfer Students

Each student who receives a Bachelor of Science in Business degree must complete from Emporia State University at least 50 percent of the business credit hours required for the degree. At least 15 of these credit hours must be in the student's major.

Any transfer student receiving a minor in the school must include a minimum of 9 credit hours of upper-level courses in the minor area from Emporia State.

The following general policy applies to the acceptance of credits earned at accredited community colleges toward majors and minors offered by the school.

Students entering a community college and subsequently transferring into the School of Business will be allowed to transfer the equivalent of the following courses toward a School of Business major or minor:

Other Courses Numbered 100-299 at ESU

Courses from community colleges similar to other business courses numbered from 100-299 at ESU may be accepted as equivalent courses, pending a review of course information from the community college.

Courses Numbered 300-399 at ESU

Up to 6 credit hours of business courses from community colleges similar to courses numbered from 300-399 at ESU may be accepted as equivalent to ESU business courses, upon successful completion of a validating procedure. Validation can be accomplished by earning a passing score on an examination prepared and graded by ESU faculty from the appropriate subject matter. Upon validation, appropriate documentation will be placed in the student’s advisement folder with a copy to remain in the department office. Degree Analysis will be notified that the validated course is to be accepted as equivalent to an ESU course. If validation of these courses is not achieved, the courses will be acceptable for elective credit at ESU.

Courses Numbered 400 and above at ESU

Courses numbered 400 and above in ESU’s School of Business are senior and graduate-level courses and are not equated to community college courses.

Concurrent Enrollment – Transient Students

Students actively enrolled at ESU are discouraged from taking courses concurrently at other institutions. Any ESU student desiring to take business courses as a “transient student” from another college or university must have the course approved in advance on an officially signed “Prior Approval Form”. Students will not be allowed to enroll in overloads through schedules at more than one institution without the normal overload approval process being completed. Courses taken as a transient student not approved in advance will be accepted only as elective credit.

BACHELOR OF SCIENCE IN EDUCATION

Business Teaching Field

See detailed information about this program in the Bachelor of Science in Education section.

BACHELOR OF SCIENCE COMPUTER SCIENCE

This program is designed for students who desire a major in computer science based on a sound foundation in mathematics. It is designed to prepare the student for graduate work as well as career opportunities in industry, education, business, and government. See detailed information about this program in the Bachelor of Science Computer Science section.

See the general education requirements in the General Education section of this catalog.

MASTER LEVEL PROGRAMS

Master of Accountancy

The Master of Accountancy program is offered to prepare students for the 150 hour requirement to sit for the CPA exam in Kansas as well as other states. The program is designed for careers in professional accounting in the areas of government, management, and public accounting. Classes are offered on the ESU campus, fully online and at the Emporia State University Campus – Kansas City. For more information about the Master of Accountancy, see www.emporia.edu/business/programs/masters-in-accounting/.

Master of Business Administration

The Master of Business Administration (MBA) degree provides advanced education in business administration to those seeking advancement to middle and upper managerial and executive positions. For students who have an undergraduate background in business, the degree usually involves 36 graduate hours. Concentrations in accounting, enterprise resource planning (ERP), and information systems are available as options for MBA students. The accounting concentration within the MBA is available to assist accounting majors in meeting the 150-credit-hour CPA examination requirement and the MBA requirements at the same time. The enterprise resource planning concentration provides knowledge of ERP methodology and implementation, giving students hands-on
access to the SAP enterprise application software. The information systems concentration prepares graduates for positions with significant information system knowledge. The School has been authorized to offer the MBA and the concentrations on the ESU campus, at ESU – KC and online. See www.emporia.edu/business/programs/mba for more information about the MBA.

Master of Science in Business Education

The Master of Science in Business Education program is offered for business and computer teachers who desire advanced educational preparation to enhance their professional competencies, and for professional business people, such as those who administer corporate training initiatives. Depending on the amount of undergraduate work in business or business education, the degree requires 35 hours of graduate work. The major provides both thesis and non-thesis plans. The entire three-year, part-time program is offered through distance education/directed study venues. The Master or Science in Business Education degree is accredited by North Central Association of Teacher Education. See www.emporia.edu/business/programs/msbusedu for more information about the Master of Science in Business Education degree.

INTERNSHIP PROGRAMS

An internship involves the student in a business position for one or more academic terms. The work is directly related to the student’s major course of study. The student intern may receive a salary from the employing firm or organization and academic credit. The internship provides an opportunity to apply the theory, practice, and strategies acquired in course work and to gain first-hand knowledge of business practices.

CONSULTING SERVICES

The school will make every effort to provide personnel for workshops, institutes, conferences and other consulting services to educational, business, industry, community and social organizations in our region of Kansas. Requests for such services may be made to the department chair or to the dean of the School of Business.

OUTREACH ACTIVITIES

The School of Business houses a number of centers that provide outreach services to the public. These centers are:

Center for Business and Economic Development

The Center for Business and Economic Development provides research, technical assistance, and workforce development services using faculty, staff, and community resources to support and develop entrepreneurship, family businesses, and small- and medium-sized business (SMEs) as well as other organizations in the extended community of the University. The Center also coordinates activities related to government grants, foundations, and other philanthropic entities and activities. See the Center website: http://www.emporia.edu/business/ibed/center/.

Small Business Development Center

The Small Business Development Center (SBDC) offers free, confidential consulting services to existing and potential small business owners. The SBDC also sponsors low-cost training programs, maintains a resource library, and provides referrals to other small business service providers.

Kansas Business Hall of Fame

The Kansas Business Hall of Fame recognizes Kansans who have distinguished themselves through significant accomplishments in business, leadership roles, philanthropy, and contributions to society. New inductees are announced each year at the Kansas Annual Awards Banquet. The Hall of Fame is located in Cremer Hall 205 on the ESU campus. Also, visit the KBHF Web site at http://www.emporia.edu/business/community/kbhf/.

SCHOLARSHIPS

Many individuals, businesses and organizations have provided endowed scholarship funds for School of Business students.

BACHELOR OF SCIENCE IN BUSINESS

This section outlines each of the majors offered for the Bachelor of Science in Business along with the available minors and concentrations. Each major requires 24 hours of coursework for that major. Required courses and available electives are available in the appropriate major section.

A minimum of 62 hours of the 124 hours needed for graduation must be in non-business courses. For this computation, up to 9 hours of economics and 6 hours of statistics are considered to be non-business.

ACCOUNTING

The accounting program is designed to prepare students for careers in public, private or governmental accounting. An accounting internship program is an optional experience available to majors as well. See http://www.emporia.edu/business/programs/accounting/.

Accounting Courses Required (24 hours):

| AC 302 | Prof Dev & Ldrship for Acctng Majors | 2 hours |
| AC 304 | Intermediate Accounting I | 4 hours |
| AC 313 | Intermediate Accounting II | 3 hours |

| AC 413 | Auditing | 3 hours |
| AC 423 | Federal Income Tax Accounting I | 3 hours |

At least one 500 level Accounting Course 3 hours

Electives (6-13 hours):

Once enrolled at Emporia State University, any accounting courses transferred in to fulfill accounting major requirements must be from an AACSB-accredited institution and be approved in advance by the department chair.

BUSINESS ADMINISTRATION

The business administration program provides the student with a broad preparation in business including accounting, business law, e-commerce, economics, entrepreneurship, finance, information systems, international business, management, marketing, marketing communications, quantitative methods and sales management. This major produces a business generalist with the flexibility to qualify for entry-level employment in corporations, small businesses, non-profit institutions, and government.
Business Administration Related Electives (24 hours):

For the Business Administration major, the student, with the active advice and consent of an advisor, selects a tentative list of courses to meet the 24-credit-hour requirement to create a coherent academic program. With advisor approval, the student must select two courses (300 and above) from four of the eight disciplines AC, BC, BE, BU, FI, IS, MG, MK.

In addition, students can meet this requirement by selecting two of the seven concentrations outlined in the Concentrations section.

Elective Courses (6-13 hours)

INFORMATION SYSTEMS

The information systems major is designed to prepare students for careers in business and industry where utilization of information systems is a major function. This program has a solid foundation in the business curriculum and emphasizes computer systems and programming.

www.emporia.edu/business/programs/is/

Students have the option of choosing the Computer Information Systems (CIS) Track or the Management Information Systems (MIS) Track for the Information Systems Major.

DEPARTMENT OF SOCIOLOGY, ANTHROPOLOGY, AND CRIME AND DELINQUENCY STUDIES
(Changes effective Fall 2014)
BACHELOR OF ARTS
CRIME AND DELINQUENCY STUDIES

The Bachelor of Arts degree in Crime and Delinquency Studies traditionally has been a broad-based liberal arts degree designed to provide the student with a solid foundation in Crime and Delinquency Studies and course work in a variety of other liberal arts disciplines. The Bachelor of Arts degree program is designed primarily for those students who intend to pursue an advanced degree in Crime and Delinquency Studies, Juvenile Justice or Law. In keeping with that tradition, students pursuing a B.A. in Crime and Delinquency Studies at Emporia State University are required to complete a total of 36 semester hours in Sociology and Anthropology. All students working toward the B.A. in Crime and Delinquency Studies are required to complete a 24-hour “Required Core” and complete 12 hours in secondary courses.

The purpose of the core curriculum is to provide a core knowledge that enables students to critically think about and engage in research on salient issues in Crime and Delinquency Studies. The core curriculum requirements provide students with research and theoretical learning techniques and experiences that provide a basis for more advanced course work. The core curriculum requirements also provide a foundation for students interested in graduate programs. See the general education requirements in the General Education section of this catalog.

Students graduating as Crime and Delinquency majors or minors (Sociology, Anthropology or Crime and Delinquency Studies) must have a minimum grade of “C” in each class, including transfer classes, to satisfy their degree plans with the department.

Fine Arts (2 courses) 4 hours
Humanities, (2 courses) 6 hours
Social/Behavioral Sciences, (1 course) 3 hours
Foreign Language 10 hours
Multicultural 3 hours
PE100 Active Living and one other course 4 hours

SUBTOTAL 39 hours

TOTAL 101 hours

The physical science, life science, mathematics, and technology would be satisfied by CH123/124, GB140/141 (or GB100/101), MA165 (or MA161), and CH376/377, respectively.

General Education Substitution
PHPR613 Pharmacoeconomics (University of Kansas) 2 hours for EC101 Basic Economics

Equivalent courses from other accredited schools of pharmacy
would also serve as substitutions for these requirements.

Remaining requirements for the baccalaureate degree are fulfilled upon satisfactory completion of the first two years of any accredited pharmacy school curriculum. An official transcript will need to be sent directly from the pharmacy school to Emporia State University, Registrar’s Office. Restrictions on credit hours earned on campus and in the final semester are waived.

Sample Professional Curriculum * (A minimum of 23 hours to be transferred from an accredited School of Pharmacy).

PHPR613 Pharmacoeconomics

In Pharmacoeconomics and Outcomes students will study health care economics from both a macro and micro basis with a primary focus on pharmacy economic issues as applied to our health care practices as well as health outcomes research. This course will incorporate lecture, readings, case exercises, and guided discussions to accomplish these goals and will utilize distance learning techniques.
