MORE than the 's and O's

**3Dimensional Coaching™**

Featuring

*3Dimensional Coaching™* with Wes Simmons

“3Dimensional Coaching™,” a concept developed by Dr. Jeff Duke of the University of Central Florida, combines fundamentals, psychology, and heart into developing athletes. The 3Dimensional Coaching™ curriculum is based on extensive research regarding different coaching philosophies and the cultural influence of coaches in the lives of the people they impact. Wes will bring new and exciting topics that builds upon his previous presentation at Emporia State.

**Wes Simmons** is a certified 3Dimensional Coaching™ trainer/presenter for the Midwest region. Wes played college football at Northwest Missouri State University, where he started on back-to-back NCAA DII National Championship teams. He began his coaching career at Northwest Missouri as a defensive assistant for three years while completing his Master's degree in Athletic Administration. His career has shifted from coaching athletes on the field to coaching both athletes and coaches in other areas of life. Wes serves as the NW Missouri Fellowship of Christian Athletes area director in St. Joseph, Missouri.

**Successful Team Building**

With Jeff Hulse

**Jeff Hulse** is currently teaching physical education and coaching softball at Belton High School in Missouri. He has taught at the elementary school, middle school and high school levels. He has coached football, basketball, track and field, tennis, softball and served as athletic director. As the head softball coach at Olathe East High School he compiled an amazing .935 winning percentage with a record of 332 wins and only 23 losses. He coached the Hawks to 7 state championships and was selected as the National Federation of High School Coaches Association 2013 National Softball Coach of the Year. He served on the National High School Softball Rules Committee, and founded the Kansas Softball Coaches Association. Jeff was also selected as the 6A Girls Tennis Coach of the Year three times. His positive spirit and pride in his work has “made a difference” in the numerous young lives that he has worked with during his career.
