\^Pre-requisites required

This is a potential 4-year schedule for a Psychology major just entering ESU, that ensures completion of the 124 general education, psychology and minor courses required to graduate. However, students are expected to work closely with their academic advisor to develop their specific program of study. The student should be aware that these 124 hours must include at least 45 hours numbered 300 or above. Semester credit hours in parentheses.
