Saint Louis University’s Pius XII Memorial Library is hiring a STEM Research and Instruction Librarian. This position reports to the Chair of Research and Instruction Services, and serves as the subject librarian for the natural and physical sciences, engineering, aviation, computer science, and mathematics.

Responsibilities Include:
- Select resources supporting the teaching and research needs of STEM students and faculty.
- Conduct subject-specific research consultations.
- Teach interactive, curriculum-integrated instructional sessions.
- Create tutorials, learning objects, or other curricular resources in a variety of media.
- Participate in general reference and instructional services in a team-based environment.
- Engage in professional activities, including university and library committees and task forces, and attend professional meetings.

Required Qualifications Include:
- Master’s degree in librarianship from a library program accredited by the American Library Association (or the appropriate national body of another country).
- Undergraduate and/or advanced degree(s) in science, technology, engineering, or mathematics from an accredited institution or at least two years of experience as a STEM librarian.

For a full position description, please see [http://lib.slu.edu/about/employment.php](http://lib.slu.edu/about/employment.php).

Founded in 1818, Saint Louis University is one of the nation’s oldest and most prestigious Catholic institutions. SLU’s service-focused mission challenges and prepares students to make the world a better, more just place. For more information about Pius XII Memorial Library, the main library on SLU’s St. Louis campus, see [http://lib.slu.edu](http://lib.slu.edu).

All applications must be made online at [http://jobs.slu.edu](http://jobs.slu.edu) and include a cover letter addressing qualifications for position, application, curriculum vita, and names, addresses, and telephone numbers of three current professional references (university
placement file is not acceptable). Please refer to Requisition Number F20190857. All other correspondence regarding this position may be sent to the STEM Research & Instruction Librarian Search Committee, Pius XII Memorial Library, 3650 Lindell Blvd., St. Louis, MO 63108-3302.

Saint Louis University is an Affirmative Action/Equal Opportunity Employer (AA/EOE) and encourages nominations of and applications from women and minorities.
