ED/EL220 Introduction to Teaching Tutoring Options

All ED/EL 220 Introduction to Teaching classes require a minimum of **30 hours of tutoring**. This requirement can be met in one of the following ways:

<table>
<thead>
<tr>
<th>1</th>
<th>2</th>
<th>3</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>In-Area Tutoring</strong></td>
<td><strong>Out-of-Area Tutoring</strong></td>
<td><strong>Tutoring Waiver</strong></td>
</tr>
<tr>
<td>ED/EL 220 students can tutor in an Emporia classroom at either the elementary, middle school, or high school level. In-area tutoring is scheduled for 30 hours. This is the standard way of meeting the tutoring requirement.</td>
<td>Out-of-area tutoring takes place in a classroom setting outside of Emporia. This type of tutoring is only for those who commute from other towns, or those who are unable to schedule 30 hours in an Emporia school during the semester.</td>
<td>The tutoring waiver option is available if you have completed 130 hours of working with children and 30 hours of this was tutoring students PK to age 18 or to age 23 with special needs individuals.</td>
</tr>
</tbody>
</table>

If you select this option you must fill out either the:  
Emporia High School  
Or  
Emporia Middle School  
Or  
Emporia Elementary School Tutor Request Form

If you select this option you must fill out the Request for Practicum/Internship/Field Experience Placement Form.

If you select this option you must submit documentation in a timely manner. These forms include a Tutor Waiver Form and a Service Work Experience Form A (100 Hours Form).

Any of the options listed above will meet the tutoring requirements for ED/EL 220 class. Before selecting an option, please consider your schedule carefully to make sure you can meet all of the requirements of that option. Remember you must fulfill one of the above options in order to pass your ED/EL 220 class. Please make your decision and submit the appropriate form(s) within one week of this presentation to ensure placement or waiver approval.

If you have any questions regarding ED/EL 220 tutoring, please contact:
