Criteria for Selection of Professional Development School Mentor and Secondary Cooperating Teachers

Professional Development School Mentor Teachers must have a minimum of three years teaching in the district with at least one year at grade level and in the school. A master’s degree is preferred although exceptional expertise is acceptable. There should be evidence of lifelong learning. The mentor teacher must be recommended by the principal and/or district administrator and successfully complete mentor training.

Secondary Cooperating Teachers must be licensed in the area they are supervising and have at least three years of experience.
