WELCOME TO MENTOR TEACHER TRAINING!

Please read this information sheet carefully.

Thank you for your willingness to share your expertise and your classroom with a PDS intern. Mentor teacher training is designed to help you to have a positive experience in working with your intern. Since the fall semester, 2007, all elementary PDS interns have been placed only in classrooms with a trained mentor teacher.

Completion of the training

All training tasks must be completed and submitted to the instructor no later than Monday, July 19 in order to receive the $100 stipend. Completion of the training is necessary in order to have an intern during the 2010-2011 school year. Completion of the training does not guarantee that a PDS intern will be placed in your classroom.
